Success At The Harness Races:

Success at the Harness Races Barry Meadow,1967 *The Path to Harness Racing Handicapping Profits* Douglas Masters,2018-08-15 This book is a LARGE PRINT format paperback using an 18 pt Arial font This book represents three decades of handicapping and betting harness races and is a summary of observations that are important to being a winning player This book summarizes the conclusions on what made the author a winning player There is no magic formula to become a winning player and the author is the first to say that there is more than one road to profits This book is the road taken by Doug Masters to becoming a winning player Becoming a winning player is part art and part skill so it is impossible to summarize it as a mechanical method however Doug attempts to outline his process in the second half of the book This book may be difficult for beginning harness handicappers to read because it does not explain any basic terminology There are however glossaries of harness racing terms online as well in the racing programs of harness tracks There are no winning examples in this book This is a quote from the author in the introduction You will find no past performances listed in this book this is intentional Anyone who has been around harness racing for even a few years has probably read various books and publications offering a handicapping system All of them will have examples of how a handicapping system or angle picked a winner Anyone can do this especially when so many of these authors are working backwards from the winner To me it is simply a waste of time And besides only a mediocre or inexperienced handicapper is going to believe there is a single path to success in wagering This book consists of my observations of the sport and how it relates to my own handicapping perspective If you are looking for a system that represents some sort of absolute truth you re looking in the wrong place Topics include Handicapping Factors Drivers Horse Form Speed Pace Class Post position Track Statistics Betting multiple racetracks Success at the Harness Race Outlet,Outlet Book Company Staff,Random House Value Publishing Staff,1981-03-01 **Chicago's Horse Racing Venues** Kimberly A. Rinker,2009 The popularity of horse racing in Chicago has yet to be rivaled in any other metropolitan area Since the 1800s the Windy City s enthusiasm for both harness and Thoroughbred racing led to 10 major racetracks being built in the Chicago area Four of those raceways Balmoral Maywood Hawthorne and Arlington are still racing and thriving today From Washington Park Lincoln Fields and Worth Raceway on the city s South Side to the Near West Side venues of Hawthorne Race Course and Sportsman s Park to Arlington Park s northwest locale and Aurora Downs to the west Chicago s racing community has enjoyed a long and sometimes scandalous history Chicago s Horse Racing Venues provides insight into Chicago s rich racing history and a behind the scenes look at the people and horses involved *Paul Powell of Illinois* Robert E. Hartley,1999 Paul Powell emerged from the hill country of southern Illinois to serve in state government from 1935 until his death in 1970 His political tenure included three terms as Speaker of the Illinois House four terms as minority leader and two terms as secretary of state The sponsor of hundreds of bills he worked tirelessly for his constituents in southern Illinois He also worked tirelessly to promote his own interests In

this first political biography of Powell Robert E Hartley follows the money He tells how this man of humble origins and meager means amassed a world class political and financial base Part of that story is the disclosure of a personal fortune that boggled minds including the unbelievable yarn of the 800 000 cash found in the hotel room following Powell s death Powell never earned a state salary of more than 30 000 per year yet in the last year of his life his federal income tax return showed an income of more than 200 000 At his death his estate totaled 3 2 million and when settled in 1978 was worth 4 6 million including nearly 1 million in racetrack stock Following Powell s story Hartley takes us deep into the Illinois political world of the 1940s 1950s and 1960s a time when politicians were on an honor system regarding their financial holdings This was before disclosure of political contributions before computer records and before public meetings laws
