## **Summer Greek Reader:**

*A Summer Greek Reader* Richard Goodrich, David Diewert, 2001 An excellent tool for students of New Testament Greek to maintain the skills taught in first year Greek

[Greek Pedagogy in Crisis](#) David R. Miller, 2019-06-26 The goal of every pastor missionary and lay leader in the evangelical church is to proclaim the word of God accurately And one of the key components of accurate biblical interpretation is the understanding of the Bible's original languages While some Bible teachers forego learning Hebrew and Greek altogether many men and women seek their language training by buying books to study on their own others look for free online courses and videos to provide this instruction while still others commit to formal theological training through higher education Each of those language learning formats print digital and guided are effective educational tools but the problem is that each of those formats are primarily based on the same antiquated teaching method This book analyzes and assesses the current biblical language pedagogy from the vantage point of over thirty prominent professionals in the field of New Testament Greek Their insight provides some of the first formal data on the usefulness and effectiveness of the Grammar Translation Method for teaching biblical languages today Additionally this book will introduce a unique and cutting edge approach to the process of teaching and learning the original languages of the word of God

*Keep Your Greek* Constantine R. Campbell, 2010-12-21 Ten techniques for keeping your knowledge of Greek fresh long after college Seminarians spend countless hours mastering biblical languages and learning how the knowledge of them illuminates the reading understanding and application of Scripture But while excellent language acquisition resources abound few really teach students how to maintain their use of Greek for the long term Consequently many pastors and other former Greek students find that under the pressures of work ministry preaching and life their hard earned Greek skills begin to disappear Constantine Campbell has been counseling one time Greek students for years teaching them how to keep their language facility for the benefit of their ministry In *Keep Your Greek* he shows how following the right principles makes it possible for many to retain and in some cases regain their Greek language skills In *Keep Your Greek* you will acquire strategies such as How to wisely use Bible software tools so that you don't become dependent on them How different methods of reading practices can assist your memory and keep you from becoming discouraged How to make time to keep up on your language skills for the sake of your busy ministry Pastors will find *Keep Your Greek* an encouraging and practical guide to strengthening their Greek abilities Current students will learn how to build skills that will serve them well once they complete their formal language instruction Losing a skill or knowledge set is always discouraging but with a little guidance you can dust off your Greek and continue making linguistic insights a regular part of your study and teaching

[Let's Go to Greece \(Greek Version\)](#) Antonia Trotter, 2019-10-02 Take a trip to Greece with Niko and his family The book is written in Greek and accompanied by pictures for a total immersion lesson in vocabulary for a trip to Greece from beginning to end
