Marc DiPaolo, Anthony Lioi

Alternate History Novel Paperback:

The Alternate History Karen Hellekson,2001 What would the world be like is history had taken a different course Science fiction literature has long contemplated this question and this text analyzes alternate history science fiction through a variety of historical models It raises questions of narrative writers temporality and time **Time Travel** John Hamilton,2006-08-15

Introduces young readers to the world of science fiction **Possible Worlds Theory and Counterfactual Historical Fiction** Riyukta Raghunath,2020-09-10 This book offers a comprehensive Possible Worlds framework with which to analyse counterfactual historical fiction Counterfactual historical fiction is a literary genre that comprises narratives set in worlds whose histories run contrary to the history of our world usually speculating on what would have happened had a significant historical event such as a war turned out differently The author develops a systematic critical approach based on a customised model of Possible Worlds Theory supplemented by cognitive concepts that account for the different processes that readers go through when they read counterfactual historical fiction a genre which relies heavily on pre existing knowledge about history and culture This book will be of interest to anyone working with Possible Worlds including within the fields of philosophy literary studies stylistics cognitive poetics and narratology **William Gibson , Paperback**

Covers Michael Weinstein,2008 The book is about what goes into and onto a paperback cover It deals with painting photography typography design and the writing of blurbs **Italian/American Fantastika** Marc DiPaolo,Anthony Lioi,2026-02-01 Delves into Italian contributions to these genres and what those contributions mean to global Italian cultural and political identity Diverse and minority populations worldwide have often embraced horror science fiction and fantasy narratives as a means of coming to terms with the multigenerational processes of migration and enculturation and of acting in opposition to totalitarian forces everywhere Italian American Fantastika explores how works in these genres by and about Italians from Italy Canada and the United States provide models for rethinking and refashioning what it means to be Italian in the twenty first century This is the first book to examine how Italian ethnic identity intersects with the whole universe of horror science fiction and fantasy from the literary to the popular and from print to visual media Written by experts in multiple fields from art history to film studies and in an array of writing styles scholarly journalistic personal activist this is a book for scholars and general readers interested in genre storytelling ethnic studies or the arts and humanities as a whole

2007 Writer's Market Robert Brewer,2006-08-01 Brings you current information on the fast changing publishing industry to help you write to the right editors at the right addresses Crime Fiction and the Holocaust Eric Sandberg,2025-07-02

This book explores a wide range of twentieth and twenty first century international fiction that engages with the Holocaust and its historical legacy It examines the use of tropes of crime and detection in the representation of historical atrocity in both explicit crime fiction and in literary fiction that relies on some of crime fiction s signature techniques Crime Fiction and the Holocaust asks why patterns of detection have become a favoured method of fictional engagement with the Holocaust

considers the ethical and textual problematics of fictional encounters with real world suffering and delineates crime fiction's formal and thematic contributions to the broader project of Holocaust fiction

Liberty: 1784 Robert Conroy, 2014-03-04 In 1781, George Washington's attempt to trap the British under Cornwallis at Yorktown ends catastrophically when the French fleet is destroyed in the Battle of the Capes. The revolution collapses, and the British begin a bloody reign of terror. A group of rebels flees westward and sets up a colony near what is now Chicago. They call it Liberty. The British, looking to finish what they started, send a very large force under Burgoyne to destroy them. Burgoyne is desperate for redemption, and the Americans are equally desperate to survive. Had the Battle of the Capes gone differently, a changed, darker New World would have been forced into existence. But even under those dire circumstances, Liberty may still find a way. At the publisher's request, this title is sold without DRM (Digital Rights Management).
