Mitchell,2023-06-26 Maybe you live in constant fear You worry something terrible will happen You feel trapped in a spiral of despair You ve lost control Maybe death seems the only way out But there is hope Even for you You really can be happy for ever This book shows the way *Revelation* Norman H. Maclean,2023-07-25 About the Book The Number of the Beast The End of Days Everyone knows about them but few understand them in their historical context Set in the ancient Mediterranean REVELATION takes as its theme the contents of the world s most famous letter a lengthy document sent from the Greek island of Patmos by a notorious exile John the Elder a Presbyter from Ephesus Universally believed to be a prophetic insight to our time Revelation the final book of the Bible is historically and more accurately regarded as allegory reflecting on the political and religious upheavals of the first century CE Despite hundreds of published theories about the supposed prophecies no novel has dealt with this subject in the context of the age in which the letter was written Unique in this aspect REVELATION examines not only Christian origins but the metaphorical flux and flow of apocalyptic thought throughout the era in which that mystically symbolic work was written From Jerusalem to Rome and on Patmos the early Christian world is revealed About the Author Widely travelled in the near East and the Mediterranean Norman H Maclean a teacher of art and classical studies is a New Zealander He holds a lifelong fascination with both Jewish history and the classical civilizations of Greece and Rome He is involved in the artistic life in his hometown including painting print making and directing theatrical productions Maclean adheres strongly to a view insisted upon by the ancient Roman statesman Cicero If a man has a garden and a library he has all that he needs A studio in which to paint is also added to this ideal lifestyle *A Translation of the Magen Wa-herab by Leon Modena, 1571-1648* Leone Modena,2001 The focus of this work is Leon Modena s polemic masterpiece the Magen Wa Hereb Shield and Sword It makes this important document in Jewish polemical thought accessible to students of comparative religion and persons interested in inter religious relations Modena s work is a delicately nuanced text written in a sparkling style with wit and charm This translation avoids a wooden rendering being honest to the original trying to bring the reader as close as possible to the honest feeling of the original as well as to its sense *101 More Questions and Answers about Yeshua of Nazareth* Michael Smith,2001-08-22 **Divided Souls** Elisheva

God Jesus and the Bible is like eating your favorite fruit all over again only with the addition of new insightful material in the endnotes Like his former book he treats both Judaism and Christianity with a wholly skeptical and scholarly perspective Bernard Katz American Rationalist The Protestant Bible Correctly Translated Harwood s translations are always provocative and occasionally he could not resist making them satirical The example I like the best is Colossians 4 18 May the force be with you Translating the verse as the most famous saying in the Star Wars movies serves to remind the reader that believing the Bible s fairy tales actually happened outside human brains is as silly as believing the people in Star Wars actually did exist in a galaxy far far away Richard Bozarth Secular Humanist Press The Autobiography of God If books were beasts this odd hybrid volume would count among the stranger ones up there with such wonders as the platypus and the golden mole Why Well this animal runs on three legs The first leg is that of postmodernism a compound of such devices as multiple points of view and unreliable narration The second is an intriguing mixture of history theology and anthropology The third is science fiction which provides an imaginative and curious background as well as much of the book s narrative energy Given its strange method of locomotion it covers a surprising amount of ground and does so remarkably fleetly Norman Pridmore Freethinker Tales of Two Hypnotists This book contains two separate novels of hypnotists and their use of the pseudo scientific method of hypnotism for economic gain The author writes from a perspective that makes it evident that he has an extensive knowledge of hypnotism and those involved in this profession on a daily basis Leland Ruble Freethought Perspective Pope Ratzinazi and the Faux News Gestapo Harwood s latest collection of his many essays used to be called a straphanger s book because each of his essays is short enough terse enough and enlightened enough to be easily read and enjoyed while hanging onto a strap of a bus trolley or elevated train as you rode to your destination Harwood s straphanger s book has it all satire irony sarcasm cynicism acrimony and great insights By all means you must own this one Bernard Katz Midwest Book Review Uncle Yeshu Messiah One of the tragic problems grimly threatening our society and our freedoms today is the inescapable reality that most people do NOT want to be informed they want to be entertained Thus in many respects we are little different from the swarms of uninformed childishly minded dupes for the Yeshus of those centuries ago Pomp pageantry and glittering ritual do not a God create nor fables a Savior Do yourself favor Get your copy of Uncle Yeshu Messiah today Jack Truett Pagan Palaver Catalogue of Publications and Excerpts There are numerous letters to the media that expose the author as most likely one of the foremost freethought writers in this current era His unlimited knowledge of almost any subject he chooses to discuss criticize or expose is a pleasure to read Leland Ruble Freethought Perspective The Complete Mycenaean Chronicle The book s commentary spans far more than the Trojan War Sly integration of American slogans and Christian verse make the novel an absolutely scathing criticism and condemnation of American policy right wing conservatism and Christianity This novel is profane raucous bawdy at times obscene and definitely not for the prudish but it is a thought provoking and entertaining read for anyone with an open mind Amanda Speight Historicalnovelsociety org
