Understanding The Trinity:

Understanding the Trinity Alister E. McGrath, 1988 Beginning with the current skepticism about God's very existence Dr McGrath starts off with some convincing apologetics But he does not rely on apologetics alone He knows that the only way to be sure about the living God is to encounter him and this can happen to people who know almost nothing about him

The Trinity Woodrow Wilson Whidden, Jerry Moon, John W. Reeve, 2002 Among Seventh day Adventists the doctrine of the Trinity is often taken for granted But increasingly it is opposed by a small minority who have retreated to the anti Trinitarian position of the pioneers In response the authors each a specialist in his field trace the doctrine of the Trinity through Scripture church history and the writings of Ellen G White The first section surveys the biblical foundations of the doctrine and addresses objections that have been raised Other sections trace the development of the doctrine in Christian history in Adventist history and in the writings of Ellen White The authors explain why the doctrine was resisted by many of the leading pioneers The final section asks So what It discusses the theological and practical implications of Trinitarian belief worship and practice showing how it affects what we believe about salvation atonement the great controversy and other significant doctrines With glossaries bibliography and index this comprehensive primer on the Trinity will shed new light on the central beliefs of Christianity and show how God still leads His church into all truth Introduction SECTION ONE The Biblical Evidence for the Full Deity of Christ the Personality of the Spirit and the Unity and Oneness of the Godhead Chapter 1 The Strongest Bible Evidence for the Trinity Chapter 2 The Full and Eternal Deity of Christ Part I The New Testament Epistles the Old Testament and the Gospels Chapter 3 The Full and Eternal Deity of Christ Part II The Gospel of John Chapter 4 The Personality and Deity of the Spirit and the Triune Oneness of the Godhead Chapter 5 Trinitarian Evidences in the Book of Revelation Chapter 6 Biblical Objections to the Trinity Chapter 7 Logical Objections to the Trinity SECTION TWO The History of the Trinity Doctrine From A D 100 to A D 1500 SECTION THREE Trinity and Anti Trinitarianism From the Reformation to the Advent Movement SECTION FOUR The Doctrine of the Trinity and Its Implications for Christian Thought and Practice Index

Understanding the Doctrine of the Trinity John Weekes, 2001-04-29 In writing this book I was mindful of the many areas of conflict that exist between Christian and Christian Christian and Jew Christian and Jehovah Witness Members of The Church of Latter Day Saints and others The purpose was to examine critically some of the main areas of conflict and measure them against what the bible has to say concerning the Godhead Father Son and Holy Spirit and to arrive at a reasonable honest and dispassionate conclusion One very clear and positive way was to show that Jesus that great and unusual man of history was indeed a man from heaven and is in fact God incarnate Even those who have not accepted Jesus as God or equal with God must admit that he was like no other He was born in a lowly stable and died a convicted felon Yet the world in short order turned to him Even the mighty Roman Empire which initially haunted and crucified hanged and hounded Christians eventually turned to Him and acknowledged Him The evidence then is that Jesus is someone special The

Jewish ruler Nichodemus acknowledged he was from God It follows therefore that if Jesus was from God then it is reasonable to accept that he was a person of truth and integrity Yet Jesus said he was God God seems to have been well pleased with Jesus Is it not reasonable therefore to accept Jesus at His word Commonsense and logic answers a resounding Yes

Arendzen, 2004 **Understanding the Other** Jaco Beyers, 2017-08-31 In a religious pluralistic society the other cannot be ignored even less so when there is a familial relationship between religions The way in which Judaism and Christianity relate can be conceptualised in many different forms depending on the theory one subscribes to Did Judaism and Christianity derive from a common ancestor Did Christianity spring from Judaism and if so when Why did the final cut between the two take place Did Christianity replace Judaism If so how can the relationship between them now be described Before interaction between the two religions is possible an honest and unbiased attempt to understand each other must be mutual This is a painful and difficult exercise as Christians and Jews seem to have been at odds since forever This publication is not the final word on the relationship but perhaps it serves as an invitation to Jews and Christians for peaceful engagement

My God Is a Trinity Jerry Kofi Tutu, 2015-08-23 Lack of understanding of the concept of the Holy Trinity has plagued the church of Jesus Christ for more than two thousand years But this doctrine is not difficult to understand when we restrict ourselves solely to the sayings of our Lord Jesus Christ the author and finisher of our faith Although the bible does not mention the word Trinity in all the books however there is a word mentioned in the bible that confirms the doctrine of the Holy Trinity This word reveals the plurality in unity of the divine nature of God The word Godhead appeared 3 times in the New Testament and an in depth study of this word unveils the concept of the Holy Trinity It was translated from the Greek word THEIOS which is translated in Thayer's Greek English Lexicon of the New Testament as the Holy Trinity comprising the Father Jesus Christ and the Holy Spirit So the bible does indeed mention the Holy Trinity but by a different name As a former Muslim the subject of the Holy Trinity became a major stumbling block in my early Christian walk and therefore I devoted almost two decades of my life seeking for answers to this elusive Christian doctrine Progressively the Lord gradually revealed this concept to me in a very easy to understand manner So in this book you will find answers to some of the questions that most of us ask in our quest to understand the Holy Trinity For example is Jesus Christ the same as God Or is Jesus Christ the only Begotten Son of God What did Jesus imply when He said I and the Father are one Was He denying the Holy Spirit as part of the trinity since He didn't say I the Father and the Holy Spirit are one but instead He left out the Holy Spirit and said I and the Father are one These and many other probing questions would be answered based on the sayings of our Lord Jesus Christ Moreover did Christendom borrow the doctrine of the trinity from pagan religions in antiquity at the Council of Catholic Bishops at Nicaea in the fourth century AD Or did the council of Nicaea echo a truth recorded in the bible from the beginning of time The Holy Scriptures clearly unveil God to the reader without any ambiguity but human interpretations had confused this doctrine thus making it difficult to understand The bible does not address the Holy Trinity as God the Father God the Son and God the Holy Spirit Instead the bible addresses the Holy Trinity as God the Father the Son of God and the Holy Spirit of

God So what is the difference between these two descriptions Through the pages of this book you will find answers to these and many other probing questions Jesus Christ in the Gospels answered all these questions **The God Who Is Triune**

Allan Coppedge,2007-10-01 The triunity of the Christian God is not just one isolated doctrine among others Allan Coppedge draws out the implications for our understanding of God s nature attributes roles relationship to creation and providence

The Holy Spirit and Worship Elizabeth A. Welch,2020-12-15 The Holy Spirit has become a greater focus for attention in Trinitarian theology and in the life of the western church since the rise of Pentecostalism at the beginning of the twentieth century Different understandings of the Holy Spirit have impacted worship in a variety of ways This book looks at look at surprising overlaps in the thinking about relationship between the Holy Spirit and worship between two radically different traditions of the church represented by John Owen from the seventeenth century in England and John Zizioulas from the twentieth twenty first century in Greece Four threads of argument are identified flowing from the unexpected overlap between these two thinkers that are of value for the church today The first is the personal and relational nature of the Triune God drawing the human person into a deeper sense of relational identity The second is the immediacy of the encounter with God through the Holy Spirit in worship The third is the way in which the Holy Spirit leads people into truth The fourth is the transformative nature of the encounter with God in worship which draws people into sharing God s purpose for the transformation of the world **On the Athanasian Creed and Subjects Connected with It, Etc** Emanuel

Swedenborg,1875 **The Trinity of the Three** Ayodele Ajileye,2020-01-29 One of the mysteries in human life which Christians try to explain or have better knowledge of is the trinity three in one personality of God as well as the concept of human s spirit soul and body In a bit to understand or explain these concepts a lot of heresies have been celebrated due to misinterpretations In this book Dele revealed certain truths about the trinity of God the trinity of man and surprisingly the trinity of Satan He also explained how they are being applied This is an interesting book in deed and it s resourceful
