Unfolding Daniels Prophecies:

Unfolding Daniel's Prophecies Roy Allan Anderson, 1975 *Daniel's Prophecy of Seventy Weeks* Mfon Gabriel Udoh, 2019-11-23 DANIEL S PROPHECY OF SEVENTY WEEKS unlocks the Bible prophecy of Daniel in its most explicit detail It gives a blow by blow account of the fulfilment of this Bible prophecy across history starting from 538BC to date and continue to end of this age It presents the major actors of our time with so much clarity and turns enigma to revelation With clarity the events of our time are shown to fulfil Daniel s predictions This masterpiece is a sure perspective that exposes what will unfold at the 70th Week when the world shall witness the Great Tribulation It concludes with the glorious hope of the establishment of the Kingdom of Heaven on Earth where Jesus Christ rules and reign as Our Judge Our Lawgiver and Our King and Jerusalem as the capital of world Unveiling Daniel's Prophecies of End Time Events Clarence Duff, 2004 Here is the book you have been waiting for There is no doubt that the books of Daniel and Revelation contain some of the most difficult and complex prophesies in the entire Bible Unveiling Daniel s Prophecies of End Time Events clarifies many of the complexities and answers some of the most challenging questions contained in these prophesies It sets forth a new and strikingly simple prophetic explanation that allows the reader to fully understand the prophetic sequence contained in Daniel 2 and 7 in association with selected prophecies from Revelation 13 and 17 Many books have offered interpretations of the prophecies of Daniel and Revelation but little attention has actually been given to unfolding prophetic events within the prophetic timeline In this unique book the author attempts to rectify this By sequencing the prophecies of Daniel 2 and 7 along with associated prophecies from Revelation the author is able to present the logical unfolding of prophetic events from the first world empire to the fall of Rome to the rise of the ten horn seven headed beast the wounding of the beast to the rise of the Antichrist to the coming of the Lord Jesus the King of kings and Lord of lords Unveiling Daniel s Prophecies of End Time Events is a highly readable volume and will be a valuable resource for pastors Christian educators Bible students and all who are interested or curious about the prophecies of Daniel and Revelation Clarence Duff ThD PhD Dr Duff is professor at Canada Christian College where he lectures in Christian education He is the author of Unlocking the Mystery of Depression He holds a MDiv and ThD from Canada Christian College an MA in Counselling Psychology from Liberty University a PhD in Religious Studies from California State Christian University and is the candidate for the PhD in Psychology from Capella University **Daniel** Charlene R. Fortsch, Erica Dissler, 2005-10 Some dreams or visions if they are symbolic in nature require an interpretation This unique book Daniel Understanding the Dreams and Visions unlocks and explains the structure and mysteries of the prophecies in the book of Daniel It reveals the keys that the prophet Daniel has presented to unlock the prophecies of the Bible Daniel expounds the prophecies in four distinct visions of how God has revealed the rise and fall of the seven earthly kingdoms empires many centuries in advance The truths of these prophecies have withstood every attack from every scholar and skeptic According to the Talmud and the Hebrew Scriptures Daniel

received and interpreted dreams and visions similar to many other Jewish prophets This new book brings much needed clarity to the text of the prophecies of Daniel through the definitions of codewords maps pictures illustrations charts tables and secular historical records The Author adds comments only where necessary An understanding of the Old Testament book of Daniel will set the foundation for a better understanding the prophecies in the book of Revelation In this book the author adopts a detailed but simple approach to an intricate and complex web of prophetic truths of coming world events The object of this book is to clarify the symbolisms and cryptic codes in the ancient yet futuristic prophecies of Daniel For as Jesus said And now I have told you before it come to pass that when it is come to pass ye might believe JOHN 14 29 Take heed that no man deceive you Matt 24 4

Daniel in the Preterists' Den Thomas A. Howe,2008-06-01 In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ s coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Preterist interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather this is a commentary on the entire book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole

Daniel George Burnside,1985 **Contours of European Adventism** Stefan Höschele,Chigemezi N. Wogu,2020-01-16 Contours of European Adventism offers scholarly articles based on papers presented at the 3rd International Symposium organized by the Institute of Adventist Studies of Friedensau Adventist University Germany April 23 26 2018 It also contains the first comprehensive bibliography of Adventism in Europe The contributions represent a wide range of Adventist historical scholarship in Europe They analyze historical missiological theological and socio political issues that have colored the life of the Seventh day Adventist denomination in Europe **Fulfillment of Prophecy** Gary Gallant,2023-08-30 Many believers neglect to study the Old Testament because they find it confusing or because they assume that it is less important to the Christian faith than the New Testament We cannot understand Jesus or His gospel without a proper grounding in the Old Testament Scriptures Thus we need to read and study the whole counsel of God Let us not neglect the study of either

testament Unique among all books ever written the Bible accurately foretells specific events in detail many years sometimes centuries before they occur Approximately 2 500 prophecies appear in the pages of the Bible about 2 000 of which already have been fulfilled to the letter no errors The remaining 500 or so reach into the future and may be seen unfolding as days go by Since the probability of any one of these prophecies having been fulfilled by chance averages less than one in ten figured very conservatively and since the prophecies are for the most part independent of one another the odds for all these prophecies having been fulfilled by chance without error is less than one in 102000 that is 1 with 2 000 zeros written after it God is not the only one however who uses forecasts of future events to get people s attention Satan does too Through clairvoyants such as Jeanne Dixon and Edgar Cayce mediums spiritists and others come remarkable predictions though rarely with more than about 60 percent accuracy never with total accuracy Messages from Satan furthermore fail to match the details of Bible prophecies nor do they include a call to repentance The acid test for identifying a prophet of God is recorded by Moses in Deuteronomy 18 21 22 According to this Bible passage and others God s prophets as distinct from Satan s spokesmen are 100 percent accurate in their predictions There is no room for error The New Testament indicates that what happened at the cross and on it was what the prophets had predicted would happen long before Details of Jesus life and death were written in divine prophecy hundreds of years before He was born in Bethlehem Throughout the Gospels this amazing truth is emphasized As Jesus and His apostles left the upper room for the Garden of Gethsemane He said to them You will all fall away because it is written I will strike down the shepherd and the sheep shall be scattered Mark 14 27 After Judas betrayal Jesus rebuked Peter for drawing his sword and cutting off the ear of Malchus and said to him Put your sword back into its place How then will the Scriptures be fulfilled which say that it must happen this way Matthew 26 52 54 On the cross Jesus waited until He saw that all things had already been accomplished before He uttered His only physical request I am thirsty John 19 28 Later the spear was thrust into Jesus side and blood and water came out We read For these things came to pass to fulfill the Scripture Not a bone of Him shall be broken And again another Scripture says They shall look on Him whom they pierced John 19 36 37 The angel who was at the tomb on the morning of the resurrection said Remember how He spoke to you while He was still in Galilee saying that the Son of Man must be delivered into the hands of sinful men and be crucified and the third day rises again Luke 24 6 7 When Jesus met with the apostles and disciples Sunday evening the same day He arose from the dead He said to them These are My words which I spoke to you while I was still with you that all things which are written about Me in the Law of Moses and the Prophets and the Psalms must be fulfilled Thus it is written that the Christ would suffer and rise again from the dead the third day and that repentance for forgiveness of sins would be proclaimed in His name to all the nations beginning from Jerusalem Luke 24 44 47 In Jesus affirmation to those Sunday night witnesses He referred to all three divisions of the Hebrew Old Testament the Law of Moses the Prophets and the Psalms as He described the prophecies that had been fulfilled in Him It has been said that if one reads any part of the

Bible and does not see Jesus in it he should go back and reread it for he has missed something very important In Peter s first gospel sermon on the Day of Pentecost he declared that Jesus had been delivered into the hands of godless men to be put to death by the predetermined plan and foreknowledge of God Acts 2 23 In his second sermon in Acts Peter covered in one sweeping sentence the prophecies of the whole Old Testament saying that Jesus sufferings on the cross fulfilled all that had been prophesied But the things which God announced beforehand by the mouth of all the prophets that His Christ would suffer He has thus fulfilled Acts 3 18

Preaching Christ from Daniel Sidney Greidanus,2012-12-19 In *Preaching Christ from Daniel* Sidney Greidanus shows preachers and teachers how to prepare expository messages from the six narratives and four visions in the book of Daniel Using the most up to date biblical scholarship Greidanus addresses foundational issues such as the date of composition the author s and original audience of the book its overall message and goal and various ways of preaching Christ from Daniel Throughout his book Greidanus puts front and center God s sovereignty providence and coming kingdom Each chapter contains building blocks for constructing expository sermons and lessons including useful information on the context themes and goals of each literary unit links between Daniel and the New Testament how to formulate the sermon theme and goal contemporary application and much more
