**Trends and Issues in International Planning for Businesses** Adekunle, Babayemi, Alharahsheh, Husam Helmi, Pius, Abraham, 2020-02-28 Small and medium sized businesses hoping to enter the international business realm have multiple internal and external challenges to overcome before they can expand. Such challenges can include technological developments, market conditions, and reduction in global trade barriers, though these factors are continuously changing. Determining the correct course of action can be difficult depending on the goals of the company. **Trends and Issues in International Planning for Businesses** is an essential reference source that focuses on key external and internal factors that enable or disable the creation and enhancement of success opportunities for firms that wish to expand internationally. Featuring research on topics such as cultural norms, international trade, and global marketing, this book is ideally designed for international organizations, small and medium sized businesses, managers, executives, directors, business consultants, policy managers, business professionals, academicians, researchers, and students seeking coverage on issues that influence firms in their international planning.

**Recent Trends in Product Design and Intelligent Manufacturing Systems** B.B.V.L. Deepak, M.V.A. Raju, Bahubalendruni, D.R.K. Parhi, Bibhuti Bhusan Biswal, 2022-10-05 This book presents select proceedings of the 3rd Innovative Product Design and Intelligent Manufacturing System (IPDIMS) 2020 held at National Institute of Technology (NIT) Rourkela, 30-31 December 2021. Some of the themes covered include Industry 4.0, smart manufacturing, advanced robotics, and CAD/CAM/CIM. This book will be useful for students, researchers, and professionals in the disciplines of mechatronics, mechanical manufacturing, production, and industrial engineering, especially those working on improvements in manufacturing technologies and development of resilient infrastructure in industry.

**Emerging Trends and Innovations in Industries of the Developing World** Dimitrios A. Karras, Sai Kiran Oruganti, Sudeshna Ray, 2023-09-28 ISC 2022 is dedicated to the Niti Aayog policies to promote sustainability through exchange of ideas emerging out of the academia. The ISC is an annual conference that is held in virtual mode until COVID restrictions on travel exist. The vision of the conference is to capacitate Academia with the necessary ideas that provide insights of the grassroots level development to various stakeholders of the Niti Aayog policies. Towards this goal, the conference creates a conjunction of various stakeholders of Niti Aayog policies that include academic institutions, government bodies, policy makers, and industry. The ISC organizers make concerted efforts to promote academic research that would provide technological, scientific, management, business practices, and insights into policy merits and disruptions. The framework of exchange of ideas is geared towards adoption of deep technologies, fundamental sciences, engineering, energy research, energy policies, advances in medicine, related case studies. This framework enables the round table discussions between the academia, industry, and policy makers through its range of plenary and keynote speakers.
