Practical Stage Directing for Amateurs; a Handbook for Amateur Managers and Actors Emerson Gifford Taylor, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1916 edition Excerpt VII THE STAGE AND THE SCENERY The disadvantages under which most companies of amateurs give their performances are so many and so formidable that one often wonders how they attain the success they often do attain Improvised stages ill designed and ill fitted costumes inappropriate scenery very bad lighting against all these obstacles the amateur contends blithely Most frequently he simply ignores the obstacles and perhaps this is a mercy for if he realized his handicaps he might not run at all But the better way one may venture to think is frankly to recognize the difficulties of a mechanical sort in the way of the manager to learn what are some of the really indispensable requirements in the matter of scenic investiture and to try very hard for the sake of the play to live up to them

THE DIMENSIONS OF THE STAGE Most amateur plays are produced on far too small stages Perhaps the old fashion of private

theatricals in somebody's drawing room is responsible for the continuance of the habit of staging even pretentious plays oftentimes under conditions of space which are really impossible There may be a dozen reasons for this convention but there are a hundred better reasons for breaking with it at every opportunity Schools which take their dramatics at all seriously ought to use the greatest care in building new auditoriums with a stage that the latter is something more than a platform suitable for a concert or an address Unless plays are to be only semi successful as artistic productions the actors must have plenty of room On the small stages too often deemed appropriate for non professional players there is quite lacking all opportunity for the free and slightly exaggerated movement so necessary for

Play Directing Francis Hodge, Michael McLain, 2015-11-19 Play Directing describes the various roles a director plays from selection and analysis of the play to working with actors and designers to bring the production to life The authors emphasize that the role of the director as an artist leader collaborating with actors and designers who look to the director for partnership in achieving their fullest most creative expressions The text emphasizes how the study of directing provides an intensive look at the structure of plays and acting and of the process of design of scenery costume lighting and sound that together make a produced play
