Culture, Leadership, and Organizations Adebowale Akande,2026-02-02 *Culture, Leadership, and Organizations* Embracing the Complexity of Leadership presents a comprehensive analysis of contemporary issues in leadership, people, and management across organizations. This book explores the critical interplay between diverse perspectives, meaningful relationships, and the ever-evolving landscape of global business, highlighting the essential traits and competencies that distinguish exemplary leaders. Through twenty-eight detailed chapters contributed by scholars and experts, it unravels the intricate connections between political influence, leadership styles, and organizational performance, providing valuable insights for navigating complex power structures and interpersonal relationships effectively. This book bridges the gap between theoretical frameworks and practical leadership challenges, offering a fresh perspective on transforming organizations and fostering inclusive, transformational leadership styles that drive unity and success. It provides detailed case studies to illustrate theoretical concepts in real-world organizational settings, addresses the influence of cultural backgrounds, work culture, legitimization, office politics, and career progression to help understand workplace political dynamics, and examines the underlying processes of unique organizational dynamics. It offers a detailed perspective on organizational behavior and development, enhancing readers' comprehension of leadership and management intricacies. It discusses the effects of artificial intelligence on productivity, work relationships, and governance, making it relevant to contemporary organizational discussions and reforms.

Resources in Education ,1998 *Innovation Based Technical & Vocational Education & Training (TVET) Pedagogy* Dr. Swati Mishra, Srikanta Patra, Deepti Ranjan Sahoo, Pragyan Panda,2025-09-05 *Innovation Based Technical Vocational Education Training TVET Pedagogy* offers a comprehensive and contemporary perspective on transforming vocational and technical education through innovative, learner-centered teaching practices. Designed to address the evolving demands of Industry 4.0 and the modern workforce, this book provides educators and institutions with a structured framework for reimagining teaching and learning in TVET contexts. The book systematically explores the concept and importance of innovation in pedagogy, highlighting the shift from traditional teacher-centered instruction to flexible, experiential, and skill-oriented approaches. It introduces a wide range of innovative teaching strategies, including project-based learning, problem-solving, and inquiry-based models, flipped classrooms, and gamification. Special emphasis is placed on digital transformation in TVET through the integration of ICT, artificial intelligence, virtual, and augmented reality, blended learning, and cyber safety. Learner-centered innovation forms a core theme, with focused discussions on personalisation, collaboration, creativity, leadership, and emotional intelligence. The book also redefines
