The Series Blueprint Heather Cardona,2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner. *Book Three: The Series Blueprint* is your long-range guide to building a series that actually works, from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer: planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over. Choose the right series structure for your genre, audience, and goals. Build book-level arcs that serve a bigger, long-form story. Decide between saga, episodic, or hybrid models with confidence. Track character growth, worldbuilding, and continuity without overwhelm. Balance creativity with strategy without killing your spark. Finish a series feeling proud instead of burned out. Whether you're planning your first series, halfway through a tangled one, or staring at a world that no longer makes sense, *The Series Blueprint* meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

Writers' Handbook 2025 J. Paul Dyson,2024-12-15 The 2025 edition of *firstwriter.com's* annual directory for writers is the perfect book for anyone searching for literary agents, book publishers, or magazines. It contains over 1,500 listings, including revised and updated listings from the 2024 edition and over 300 brand-new entries. Finding the information you need is now quicker and easier than ever before, with multiple tables

and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance, or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines, and Over 500 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English-speaking countries. With more and more agents, publishers, and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials, and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers, and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes, and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice, and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long-term firstwriter.com subscriber.

Hidden Deep Amy Patrick, 2015-03-16 HE ISN'T SUPPOSED TO EVEN TALK TO A HUMAN. MUCH LESS FALL IN LOVE WITH ONE. Sixteen-year-old Ryann Carroll has just run into the guy who saved her life ten years ago. You might think she'd be happy to see him again. Not exactly. She's a bit underdressed as in skinny dipping, and he's not supposed to exist. After her father's affair, all Ryann wants is to escape the family implosion fallout and find a little peace. She also wouldn't mind a first date that didn't suck, but she's determined not to end up like her mom: vulnerable, betrayed, destroyed. Ryann's just moved into her grandma's house in rural Mississippi, the same place where ten years earlier she became lost in the woods overnight and nearly died. She's still irresistibly drawn to those woods. There she encounters the boy who kept her from freezing to death that long ago winter night and was nowhere to be seen when rescuers arrived. He's still mysterious but now all grown up and gorgeous too. And the more she's with him, the greater the threat he poses to Ryann's strict policy: never want someone more than he wants you. Seventeen-year-old Lad knows the law of his people all too well. Don't get careless and don't get caught. It's allowed his race to live undetected in this world for thousands of years, mentioned only in flawed and fading folklore. Lad's never been able to forget about Ryann since that night ten years ago. When he sees her again, his fascination re-ignites and

becomes a growing desire that tempts him to break all the rules He s not even supposed to talk to a human much less fall in love with one And the timing is atrocious The Assemblage is coming the rift between the Light and Dark is widening Lad may have to trade his own chance at happiness to keep the humans especially Ryann blissfully ignorant and safe [A Reading Journal: Mostly Here for the Smut](#) Sweet Hearts Press,2025-07-08 This reading journal is perfect for Romantasy readers who want a dedicated space to reflect on all the books they love hate TBR or DNF Catering to the Booktok and Bookstagram communities and equally appealing to everyday readers and book club members it features a fun meme able cover and an easy to use and compact format Are you a big Romantasy reader looking for the perfect place to organise and collect your thoughts about the books you love hate or have on your TBR or DNF lists Then this journal was made for you Here you ll find space to write down your thoughts and conversations plus fun activities lists and exercises for the solo reader or the whole book club This reading journal was specifically made for those who are Mostly Here for the Smut [Saga of the Dark Prince](#) Tremblay Amanda (author),1901 **Flight of the Raven (The Ravenwood Saga Book #2)** Morgan L.
