Recording Industry Sourcebook, 2001      *Public Health Law Research* Alexander C. Wagenaar, Scott Burris, 2013-05-08  
Public Health Law Research Theory and Methods definitively explores the mechanisms theories and models central to public health law research a growing field dedicated to measuring and studying law as a central means for advancing public health Editors Alexander C Wagenaar and Scott Burris outline integrated theory drawn from numerous disciplines in the social and behavioral sciences specific mechanisms of legal effect and guidelines for collecting and coding empirical datasets of statutory and case law optimal research designs for randomized trials and natural experiments for public health law evaluation and methods for qualitative and cost benefit studies of law They also discuss the challenge of effectively translating the results of scientific evaluations into public health laws and highlight the impact of this growing field How exactly the law can best be used as a tool for protecting and enhancing the public s health has long been the subject of sole opinion and anecdote Enter Public Health Law Research a discipline designed to bring the bright light of science to the relationships between law and health This book is a giant step forward in illuminating that subject Stephen Teret JD MPH Professor Director Center for Law and the Public s Health Johns Hopkins Bloomberg School of Public Health Wagenaar and Burris bring a dose of much needed rigor to the empirical study of which public health law interventions really matter and which don t Bernard S Black JD Chabraja Professor Northwestern University Law School and Kellogg School of Management Companion Web site [www.josseybass.com/go/wagenaar](http://www.josseybass.com/go/wagenaar)      Lloyd Register of Shipping 1939 Steamers Lloyd Register Foundation, 1939-01-01 The Lloyd s Register of Shipping records the details of merchant vessels over 100 gross tonnes which are self propelled and sea going regardless of classification Before the time only those vessels classed by Lloyd s Register were listed Vessels are listed alphabetically by their current name      Fulltext Sources Online, 2007      **Index to Statistics and Probability: The citation index** John Wilder Tukey, Verna Bertrand, Ian Campbell Ross, 1973      **Lloyd's Register of Shipping 1933 Steamers** Lloyd's Register Foundation, 1933-01-01 The Lloyd s Register of Shipping records the details of merchant vessels over 100 gross tonnes which are self propelled and sea going regardless of classification Before the time only those vessels classed by Lloyd s Register were listed Vessels are listed alphabetically by their current name      **Lloyd's Register of Shipping 1934 Steamers** Lloyd's Register Foundation, 1934-01-01 The Lloyd s Register of Shipping records the details of merchant vessels over 100 gross tonnes which are self propelled and sea going regardless of classification Before the time only those vessels classed by Lloyd s Register were listed Vessels are listed alphabetically by their current name  
Human Factors in Effective Counter-Terrorism Richard Warnes, 2024-02-29 This book seeks to provide a comparative assessment of the significance of human factors in effective counter terrorism The phrase human factors is used to describe personal relationships individual capabilities effective leadership technical interface organisational culture and the community engagement necessary to effectively minimise counter and control the threat of terrorism Unlike many works in

the field this book is constructed around the input of experienced knowledge from over 170 semi structured interviews of specialist military policing intelligence and security practitioners those actors actually involved in countering terrorism These practitioners come from seven countries the United Kingdom Ireland France Spain Israel Turkey and the United States all of which have suffered over the years from different types of terrorist threat and responded with a mixture of counter terrorist measures Where military practitioners also discussed overseas counter insurgency measures that material has been included since terrorism forms a key aspect of such wider insurgencies The resulting interview data was analysed through a variant of Grounded Theory to identify key emerging themes and issues both positive and negative relevant to human factors in the individual countries and more generically This book incorporates the informed operational experiences and insights of the interviewees while seeking to provide examples of successful counter terrorist measures at the strategic operational and tactical levels This book will be of much interest to students of counter terrorism defence studies and security studies in general
