[The Allure of Elsewhere](#) Karen Babine, 2025-05-20 A truly fascinating and heartwarming travelogue that beautifully points us in bold directions Aimee Nezhukumatathil author of World of Wonders One woman's cross country journey to explore the hold family history has on our lives and the power of new stories to shape what lies ahead In her mid thirties and happily single Karen Babine hitches up her tiny Scamp camper and sets out with her two unenthusiastic cats Galway and Maeve on a journey from her home in Minnesota to Nova Scotia to explore the place where her French Acadian ancestors settled in North America some four centuries ago As the miles roll by she wonders Why do we carry this need to belong to an established history What happens when that can't or shouldn't happen The road reveals more questions than answers about her history identity and belonging about the responsibilities of stories and silence about her life choices as a solo woman and what it means to be driven by both a strong sense of kinship to a very close knit family on one hand and a deep desire for independence on the other Capturing the joy freedom and powerful pull of the open road The Allure of Elsewhere is about the stories we're told the stories we tell and the way those stories make us who we are often in surprising ways Intimate curious and candid written with wry wit and warmth this is a courageous and inspiring memoir
