The Historical Jesus A Continuing Quest:

The Historical Jesus Charles C. Anderson,1972 **A History of the Quests for the Historical Jesus, Volume 1**
Colin Brown,Craig A. Evans,2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates [The Quest of the Historical Jesus](#) Albert Schweitzer,2001 This groundbreaking work which established the reputation of Albert Schweitzer as a theologian traces the search for the historical figure of Jesus apart from the Christ of faith and establishes the author s own views While Schweitzer s own proposals no longer command endorsement his lasting contribution comprising the bulk of the book is the critique of his predecessors By examining the works of more than 50 eighteenth and nineteenth century authors and scholars he endeavored to show the fanciful nature of their historical reconstructions of Jesus Schweitzer s work has proved to be the touchstone for all subsequent quests for the Jesus of history It contributed to the remarkable resurgence in Jesus studies in the latter part of the twentieth century and culminated in the much publicized and highly controversial findings of the Jesus Seminar An influential and detailed study by the 1953 winner of the Nobel Peace Prize The Quest of the Historical Jesus is essential reading for biblical scholars theologians pastors and serious Christians Book jacket **What are They Saying about the Historical Jesus?** David B. Gowler,2007 This book summarizes analyzes and critiques current influential portraits of Jesus It concludes that any portrait of the historical Jesus must come to terms with Jesus as both an apocalyptic prophet and a prophet of social and economic justice for an oppressed people BOOK JACKET **From History to Mystery the Life and Teachings of the Historical Jesus** Lisa Morris,2010-04-16 This textbook explores the quest for

the Historical Jesus and seeks to discover the original meanings of his teachings in particular his kingdom of God teachings You will learn about the last 200 years of Jesus research including the Jesus Seminar The author discusses Gnosticism The Gospel of Thomas The Secret Gospel of Mark and the three synoptic gospels Matthew Mark and Luke The author spends much of her time investigating the Parables of Jesus The author makes a conclusion based on her historical studies who the historical Jesus was and what he taught This is based purely on historical evidence and is not a statement of the author s belief system Whether you are a seminary student pastor or a layperson this is a must read on the subject of the historical teachings of Jesus

The Radical Teaching of Jesus Duncan S. Ferguson,2016-01-18 The Radical Teaching of Jesus carefully and thoughtfully invites the reader into an understanding of the life and teachings of Jesus Both his life and teachings are radical in that Jesus intended those who observed his life and heard his teachings to make a major change in their lives by fully receiving the power and presence of God The implications of this transformation would result in a life of loving God with heart and mind and one s neighbor without condition This volume underlines that to have a full understanding of the implications of the radical teaching of Jesus requires a careful reading of the history of the Gospel records of the circumstances in which Jesus lived and of Jesus sense of vocation This understanding makes possible a more credible and nuanced grasp of the style and content of the life and teaching of Jesus and its extraordinary relevance for our rapidly changing and troubled global context The book speaks poignantly both to those within the Christian family who find traditional categories regarding Jesus increasingly difficult to affirm and to those of other faith traditions or religious unaffiliated who seek an authentic spiritual way

Pauline Baptism among the Mysteries Donghyun Jeong,2023-07-04 This monograph provides an alternative model for looking at the old question about Paul and the mysteries in a new light Specifically this study compares rituals baptism in the Pauline communities and the initiation rituals of the mysteries through the lens of cultural anthropology and the sociology of religion Three research questions lead the project What benefits does each initiation ritual promise its participants What are the underlying messages or structures that guarantee the efficacy of those rituals How and to what extent is the initiation ritual connected to the participants cognition and ethics beyond initiation itself Taking those questions as the analytical framework this study substantiates two points first in terms of ritual messages baptism in the Pauline communities is a ritual analogous to mystery initiation and second Paul is an innovative interpreter of ritual who recalibrates the messages of preexisting rituals for his theological and ethical program seeking to radically extend the implications of initiation to the embodied life of every Christ believer Students and scholars of New Testament early Christianity classics and ritual studies will benefit from engaging this volume

Old and New Morna D. Hooker,2024-04-17 This collection of essays by Morna D Hooker deals with the theme of continuity and discontinuity primarily between first century Judaism and early Christianity and explores the ways in which New Testament writers drew on their own cultures and previous beliefs in interpreting their experience of Jesus

The Continuing Search for the

Historical Jesus Jacob Jervell, 1965 *The Philosophy of Christology* Hue Woodson, 2022-01-31 Given the perpetual problem of the historical Jesus there remains an ongoing posing of the question to and a continuous seeking of the meaningfulness of Christology From the earliest reckoning with the relationship between Jesus of Nazareth and the Christ of faith what it means to do Christology today remains at the methodological center of the task and scope of every systematic theology Whether giving an account of Albert Schweitzer's bringing an end to the quest for the historical Jesus in 1906 or attending to Rudolf Bultmann's period of no quest culminating with his demythologization project in the 1940s how we still think of Christology as a matter of questions and concerns with meaning speaks to an unavoidable philosophizing of Christology In this way *The Philosophy of Christology* offers both a particular history of Christology in conjunction with a particular philosophy of Christology which assesses the theological contributions by a group of Bultmannians following Bultmann in the 1950s and 1960s up to what can be reimagined by repurposing Jacques Derrida's philosophical question into the meaning of love in 2002

Jesus, Mark and Q Andreas Schmidt, 2004-12-19 The first part of this collection is devoted to one of the key questions of the Synoptic Problem the literary and christological relationship between Mark and Q The second part deals with the Third Quest for the historical Jesus concentrating on his teaching and its cultural context These interrelated themes each attract detailed analysis of their methodology as well as their impact on New Testament studies generally providing a very useful introduction to the state of research in these important fields
