Luxury

Marketing Kent Le, 2026-02-03 A comprehensive postgraduate textbook for understanding and marketing luxury brands in a global context. *Luxury Marketing* gives postgraduate students in marketing business and fashion management practical insight into how luxury brands create value, connect with culture, and stay relevant within a fast-changing market. Written by Kent Lee, it bridges theory and practice to show how digital innovation, sustainability, and globalization are redefining the luxury experience. This textbook explores how luxury brands balance exclusivity with accessibility, blending heritage and creativity to sustain desirability. Students learn how history, culture, and psychology shape the meaning of luxury and how marketers translate those influences into powerful brand stories and customer experiences. Real-world examples from Shang Xia, Gaggenau, and Aman Resorts demonstrate how leading brands balance tradition with adaptation to new audiences and global markets. Designed to support modules in *Luxury Marketing* and *Luxury Brand Management*, this textbook includes definitions and frameworks that distinguish luxury from premium branding, guidance on integrating heritage, innovation, and sustainability in strategy, exploration of consumer psychology and the creation of brand desire, key concept boxes, review questions, and applied exercises for classroom use. Online lecturer resources including PowerPoint slides and instructor manuals are included. Whether studying luxury marketing or preparing for a professional role in brand management, *Luxury Marketing* equips students with the insight and confidence to navigate the evolving world of luxury. *Culture, Leadership, and Organizations* Adebowale Akande, 2026-02-02 *Culture, Leadership, and Organization: Embracing the Complexity of Leadership* presents a comprehensive analysis of contemporary issues in leadership, people, and management across organizations. This book explores the critical interplay between diverse perspectives, meaningful relationships, and the ever-evolving landscape of global business, highlighting the essential traits and competencies that distinguish exemplary leaders. Through twenty-eight detailed chapters contributed by scholars and experts, it unravels the intricate connections between political influence, leadership styles, and organizational performance, providing valuable insights for navigating complex power structures and interpersonal relationships effectively. This book bridges the gap between theoretical frameworks and practical leadership challenges, offering a fresh perspective on transforming organizations and fostering inclusive, transformational leadership styles that drive unity and success. It provides detailed case studies to illustrate theoretical concepts in real-world organizational settings, addresses the influence of cultural backgrounds, work culture, legitimization, office politics, and career progression to help understand workplace political dynamics, examines the underlying processes of unique organizational dynamics, offers a detailed perspective on organizational behavior and development, enhancing readers' comprehension of leadership and management intricacies, discusses the effects of artificial intelligence on productivity, work relationships, and governance, making it relevant to contemporary organizational discussions and reforms. **Stories from the Front Line: The People Behind the NHS Headlines** Yvonne Bennett, Christina Stead, 2025-01-07 NHS Scotland appears to be in crisis. Today, the British media is full of headlines such as "89-year-old great grandmother waits 5 hours for an ambulance." These are

a talking point for a day or two and then another headline of a similar ilk takes over This book examines the traumatic experiences of the elderly people whose stories make up these headlines The authors have carried out research into the effects of long waiting times for ambulances and the problems that NHS Scotland is facing through chronic staff shortages The waits and the limitations to patient care have long term implications for the patients the relatives and the staff Throughout the book we discuss iatrogenic disease harm that is occurring daily for patients visitors and staff The book concentrates on the new Glasgow hospital The Queen Elizabeth University Hospital which opened its doors in 2015 This is one of the largest hospitals in Europe and replaces 5 older Glasgow hospitals and has been beset by major problems since its opening By interviewing relatives and staff the authors have examined their experiences both during and following a traumatic event Themes found throughout the book include poor communication trauma low staff morale suicide and the problems caused by the size and design of the hospital The authors have also analysed statistics from NHS Scotland and Scottish Ambulance Service regarding waiting times and the use of agency staff The overarching goal of this book was to give a voice to those behind the statistics
