Manual for Effective Parenting Olawale Olagoke Olufunmilayo Fasina AYODELE OLAGOKE,2021-01-05 Are the styles of parenting that nurtured us from the cradle to adulthood obsolete Looking at this question from a broad spectrum of interests would summarily provide us with multiple answers Nevertheless no matter where you pitch your camp it s obvious that the contemporary world is operating on a fast track This development gives modern parents lots of challenges which are orchestrated by the evolving new world For better understanding we must admit that every family is a minute picture of the entire families all over the world Therefore every living soul in the whole world has different parental background Against this backdrop we thought shifting our focus to relevant information on parenting would assist contemporary parents in performing their parental responsibilities This book was published to wipe out inadequacies that are contending with parents while discharging their responsibilities over their children or wards We strongly believe that this book would pave way for a rewarding parenting which promises meaningful lives for our children
