Universal Baseball Association Inc:

The Universal Baseball Association, Inc., J. Henry Waugh, Prop Robert Coover, 1968 *The Universal Baseball Association, Inc.* Robert Coover, 2015-07-30 A middle aged accountant presides passionately over a fantasy baseball league in a flagrantly funny novel from the award winning author of Huck Out West The New York Times J Henry Waugh is not particularly happy in his job but after the workday he can go home to the ballgame With each toss of the dice the balls and strikes hits and runs are decided and the tabletop players and the individual personalities he perceives in them seem more real and immerse him more deeply But when a promising rookie pitcher pitches a perfect game filling Henry with pride and excitement and soon afterward is killed by a beanball an Extraordinary Occurrence according to the probability chart Henry is shattered and his life is affected in unimaginable ways in this blackly comic and philosophical novel that veers wildly between fantasy and reality and delves into the notions of chance and power A baseball novel which isn't really altogether about baseball funny surprises sad moments and catchy ideas Kirkus Reviews starred review One of the most original and exciting writers around Every new book from him is great news McSweeney's Not to read it because you don't like baseball is like not reading Balzac because you don't like boardinghouses The New York Times Book Review *Understanding Robert Coover* Brian Evenson, 2003 This text takes on the work of Robert Coover a major figure of postmodern metafiction In an analysis of Coover's short stories and novels it demonstrates how Coover writes in several different modes that cross over into one another *New York Magazine*, 1968-06-17 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **We Average Unbeautiful Watchers** Noah Cohan, 2019-07-01 Sports fandom often more than religious political or regional affiliation determines how millions of Americans define themselves In *We Average Unbeautiful Watchers* Noah Cohan examines contemporary sports culture to show how mass mediated athletics are in fact richly textured narrative entertainments rather than merely competitive displays While it may seem that sports narratives are written by athletes and journalists Cohan demonstrates that fans are not passive consumers but rather function as readers and writers who appropriate those narratives and generate their own stories in building their sense of identity Critically reading stories of sports fans self definition across genres from the novel and the memoir to the film and the blog post *We Average Unbeautiful Watchers* recovers sports games as sites where fan authors theorize interpretation historicity and narrative itself Fan stories demonstrate how unscripted sporting entertainments function as identity building narratives which in turn enhances our understanding of the way we incorporate a broad range of texts into our own life stories Building on the work of sports historians theorists of fan behavior and critics of American literature Cohan shows that humanistic

methods are urgently needed for developing nuanced critical conversations about athletics Sports take shape as stories and it is scholars in the humanities who can best identify how they do so and why that matters for American culture more broadly
