Unplugging The Plug In Drug:

Unplugging the Plug-in Drug Marie Winn,1987 Filled with practical advice from children parents and teachers this book explains TV addiction and how to fight it **Unplugging the Plug-In Drug Counter Display** Marie Winn,1987-10-06

The Plug-In Drug Marie Winn,2002 Details the ways in which television computers video games and other modern electronic media can affect a child s behavior intelligence and ability to communicate *The Citizen Audience* Richard Butsch,2008-02-15 In *The Citizen Audience* Richard Butsch explores the cultural and political history of audiences in the United States from the nineteenth century to the present He demonstrates that while attitudes toward audiences have shifted over time Americans have always judged audiences against standards of good citizenship From descriptions of tightly packed crowds in early American theaters to the contemporary reports of distant anonymous Internet audiences Butsch examines how audiences were represented in contemporary discourse He explores a broad range of sources on theater movies propaganda advertising broadcast journalism and much more Butsch discovers that audiences were characterized according to three recurrent motifs as crowds and as isolated individuals in a mass both of which were considered bad and as publics which were considered ideal audiences These images were based on and reinforced class and other social hierarchies At times though subordinate groups challenged their negative characterization in these images and countered with their own interpretations A remarkable work of cultural criticism and media history this book is essential reading for anyone seeking an historical understanding of how audiences media and entertainment function in the American cultural and political imagination **Media Resistance** Trine Syvertsen,2017-04-03 This book is open access under a CC BY license New media divide opinion many are fascinated while others are disgusted This book is about those who dislike protest and try to abstain from media both new and old It explains why media resistance persists and answers two questions What is at stake for resisters and how does media resistance inspire organized action Despite the interest in media scepticism and dislike there seems to be no book on the market discussing media resistance as a phenomenon in its own right This book explores resistance across media historical periods and national borders from early mass media to current digital media Drawing on cases and examples from the US Britain Scandinavia and other countries media resistance is discussed as a diverse phenomenon encompassing political professional networked and individual arguments and actions Television and the Quality of Life Robert Kubey,Mihalyi Csikszentmihalyi,2013-12-02 Employing a unique research methodology that enables people to report on their normal activities as they occur the authors examine how people actually use and experience television and how television viewing both contributes to and detracts from the quality of everyday life Studied within the natural context of everyday living and drawing comparisons between television viewing and a variety of other daily activities and leisure pursuits this unusual book explores whether television is a boon or a detriment to family life how people feel and think before during and after television viewing what causes television habits to develop and what causes heavy viewing and

what heavy viewing causes in the short and long term Television and the Quality of Life also compares the viewing experience cross nationally using samples from the United States Italy Canada and Germany and then interprets the findings within a broad theoretical and historical framework that considers how information use and daily activity contribute to individual familial societal and cultural development *In the Absence of the Sacred* Jerry Mander,1991 Mander goes beyond television which he proclaimed as being dangerous to personal health and sanity in *Four Arguments for the Elimination of Television* to critique our technological society as a whole challenge its utopian promises and track its devastating impact on native cultures worldwide Will interest all readers concerned about our environment and quality of life Publishers Weekly [Kids' Media Culture](#) Marsha Kinder,1999 A collection of feminist cultural studies essays on children s television **Disconnected America: The Future of Mass Media in a Narcissistic Society** Ed Shane,Michael C. Keith,2015-04-29 Ed Shane here traces a change in the American pervasive mass media that once disseminated information quickly and stimulated mass cultural response to a de massified individual media that incubate a new electronic narcissicism producing an inwardly focused society **The Horn Book Magazine** ,1988 *Communications and Cultural Analysis* Michael Warren,1992-08-30 This book explores how culture functions and intersects with religious groups particularly Christians It explores the way electronic communications especially film and television shape our world of meaning Using the theories of British thinker Raymond Williams as his framework Warren focuses on the actual process by which versions of reality are produced the production of signification He also draws on the ideas of Paulo Freire pointing out that cultural agency happens when individuals decide to exercise some judgment and control over the kinds of cultural material they will accept or resist If culture is a signifying system says Warren then religion is too Contrasting values from the wider culture create dilemmas for those trying to follow a religious life Choices either mirror the wider culture or reflect a culture of resistance Warren seeks to help the reader develop the skills of cultural analysis by paying attention to the images that support culture examining the life structures that support culture and paying attention to how any particular aspect of culture is produced Beyond all this however the author calls for a stance of resistance to all that violates human dignity and unity all the aspects of culture that persons with high religious ideals cannot accept [Flight Maps:adventures With Nature In Modern America](#) Jennifer Jaye Price,1999-04-22 A quirky brilliant debut book that explores the evolution of our relationship to nature and the ways in which we attach meaning to it today Flight Maps should find its place on any bookshelf with the likes of David Quammen and John McPhee [Real Reading, Real Writing](#) Donna Topping,Roberta McManus,2002 Two seasoned veterans recount their 23 year collaboration to find ways to get students to improve their learning in their content area subjects The two teachers one an elementary trained reading specialist and the other a secondary trained science teacher begin by telling of their mission to find what will work for them rejecting and tiring of bandwagon movements and quick fix promises and finding the power of collaboration In their subsequent chapters they discuss practices

and strategies for helping students read and become actively involved with books lectures and videos Then they flesh out activities to help students write more effectively in the content areas Every teaching strategy is one that they have used successfully with real students And they have tracked improved grades and secured students feedback about which strategies helped them the most

Prose Models Gerald Henry Levin,1993 Containing over 110 selections by contemporary and classic writers PROSE MODELS is a rhetorical reader that covers the major elements of paragraph essay and methods of development with an emphasis on Argument and Persuasive writing Show-me Libraries ,1988

Into the Postmodern Imaginary David Ernest Boyns,2004 Modeling and Simulation, Volume 19 Marlin H. Mickle,William G. Vogt,1988 Heaven on Earth Sharifa Oppenheimer,2006 Through art storytelling and the festival celebrations this book is a guide to build a family culture based on the guiding principle of love Such a culture supports children and allows the free development of each unique soul Responding to parents questions from more than twenty years of teaching Oppenheimer has created a gift from the heart This is a practical inspiring resource that brings her informed intuitive understanding of young children into the heart of the home

The Harvest Reader William A.
