He Gave Us Stories Richard L. Pratt, 1993 Explains how to grasp and apply the timeless truths in Old Testament narratives

Greek and Roman Historians Michael Grant, 2004-08-02 It is today widely accepted that we do not get the whole truth from any historian Greek and Roman Historians considers the work of ancient historians such as Herotodus Tacitus and Thucydides in the the light of this attitude In an enlightening new study Michael Grant argues that misinformation even deliberate disinformation is abundant in their writings Grant one of the world s greatest writers of ancient history suggests new ways of

reading and interpreting the ancient historians which maximise their usefulness as source material He demonstrates how the evidence they provide can be augmented by the use of other literary and non literary sources Greek and Roman Historians shows us how we can use written history to learn about the ancient world even if our conclusions are not those its historians intended The author argues that their work remains our most important source of information once we have learned to question and incorporate their imperfect regard for the truth Grant s account is an indispensable guide to the sources and their interpretation for all students of ancient history *The Legend of John Wilkes Booth* C. Wyatt Evans,2004 *The Legend of John Wilkes Booth* is a story of how collective memories and popular histories collide with clash and sometimes overcome mainstream accounts of the past It offers an alternate venue for studying the workings of Civil War memory in American culture and demonstrates how and why culture produced at the grassroots level can challenge the official version of events
