## **Wanted Mom And Me:**

**The Mom I Want to Be** T. Suzanne Eller, 2006-07-01 A woman's experience as a mother is influenced by the mothering she received as a child. If neglect was a part of that upbringing, the woman who holds a newborn and faces the responsibility of parenting needs a healthy vision of motherhood. T. Suzanne Eller compassionately discusses how a woman can turn from a painful past and embrace a godly example of motherhood. She shares how shattered legacies can be put back together, the path to restoring the broken image of motherhood, ways to let go and embrace a new story. This is a celebration of God's healing power and how all women can become the mom they want to be.

**A Fistful of God** Therese M. Travis, 2013-10-04 She's never taken a drink, but she's recovering from alcoholism all the same. After the death of her father, teenager Aidyn Pierce spends all her time cleaning up her mother's messes. So when Mom announces she's getting sober, Aidyn doesn't believe her. Mom has tried before, and Aidyn knows there will come a time a day, a week, maybe even a month from now when the cravings will be too much and her mother will start drinking again. So when Aidyn is encouraged to attend support meetings, she refuses. No point in wasting her time when her mother's going to drink again anyway. But what Aidyn doesn't count on is the healing power of love and friendship and the incredible strength of God to walk both mother and daughter through the dark valley of addiction and recovery.

**The Owl Is Calling** Tami Kent, 2010-11-05 The Owl is Calling is based on a true story. It is about a family that is enduring physical, mental, and drug abuse like so many other families in the world. The book was written so other people don't feel alone when reading the book. And the author thought it was a story to be told. The story ends in tragedy.

*Mom! I Want to Be a Star* Irene Dreayer, 2014-07-01 This is the ultimate show biz how-to guide for aspiring kids and their parents, written by Hollywood's number one kid talent expert and executive producer for Disney ABC and the WB, Irene Dreayer. As a thirty-year veteran of discovering kid stars and producing hit TV shows such as the Disney Channel's *The Suite Life on Deck* and *The Suite Life of Zack & Cody*, as well as several TV movies, Dreayer has seen hundreds of kids try to make it in show business. Most parents and kids don't understand the steps or how to navigate the ins and outs of the industry. Most make critical mistakes. As Hollywood's only trusted career coach for kid talent, Irene Dreayer developed the Dray Way ([www.thedrayway.com](http://www.thedrayway.com)) as her proven method for guiding show biz kids and their parents on how to audition correctly, how to handle the business side, and how to deal with issues such as image and rejection. The Dray Way is her method for working with kids and training parents on how to pursue this business the right way. This book is designed as a workbook for parents and kids to do together. Every chapter explains, informs, and delivers the honest truth about specific aspects of the entertainment business and outlines the crucial information kids and parents need to learn as a family. Some chapters are designed exclusively for parents, but most are a family affair. The exercises in each chapter are to be completed by parents and kids in order to learn the skills required to be a better actor, singer, or dancer. *Mom! I Want to Be a Star* is entertaining, fun to read, and a wonderful opportunity for families to explore
