

THE WANTON HOUR

He couldn't face losing her—

He told her so, in whispers, for the hundredth time. He held her very close. She was the soft shape of love itself. When he held her like this, his fears were lulled and the need for decision about the future hung in a still void . . .

This is the dramatic and powerful story of a man driven to violence by his overwhelming passion for a beautiful girl and his guilt-feelings for his unfaithfulness to his invalid wife.
