Snoek, 2008-12-31 Women have been structurally part of the masonic enterprise from at least the middle of the 18th century Yet little is known about the ways in which they themselves obtained and exercised power to influence the systems they were involved in in order to adapt them to be more appropriate to their needs This volume intends to concentrate on two aspects Women s agency i e the power women gained and exercised in this context and rituals i e the role of men and women in changing and shaping the rituals women work with These two aspects are closely related since it requires some agency to realise changes in existing rituals *Universal Co-Masonry...General Rules and Regulations for the Government of the Degrees from the First to the Third Inclusive* Freemasons. Great Britain, 1918 Glimpses of Masonic History Charles Webster Leadbeater, 1926 Theosophy René Guénon, 2001 Since the late nineteenth century the Theosophical Society has been a central force in the movement now known as the New Age Just as the Communist Party was considered old hat by peace activists in the 60s so the Theosophical Society was looked upon by many in the spiritual revolution of those years as cranky uninteresting and pass But the Society like the Party was always there and despite its relatively few members always better organized than anybody else Since then the Society s influence has certainly not waned It plays an important role in today s global interfaith movement and since the flowering of the New Age in the 70s has established increasingly intimate ties with the global elites And its various spinoffs such as Elizabeth Clare Prophet s Summit Lighthouse and Benjamin Cr me s continuing attempt to lead a World Teacher Maitreya onto the global stage just as the Society tried to do in the last century with Krishnamurti continue to send waves through the sea of alternative spiritualities Gu non shows how our popular ideas of karma and reincarnation actually owe more to Theosophy than to Hinduism or Buddhism provides a clear picture of the charlatanry that was sometimes a part of the Society s modus operandi and gives the early history of the Society s bid for political power particularly its role as an agent of British imperialism in India It is fitting that this work should finally appear in English just at this moment when the influence of pseudo esoteric spiritualities

on global politics is probably greater than ever before in Western history **Divine Feminine** Joy Dixon,2003-05-01
Honorable Mention for the Wallace K Ferguson Prize from the Canadian Historical Association Chosen by Choice Magazine as
an Outstanding Academic Title of 2003 In 1891 newspapers all over the world carried reports of the death of H P Blavatsky
the mysterious Russian woman who was the spiritual founder of the Theosophical Society With the help of the equally
mysterious Mahatmas who were her teachers Blavatsky claimed to have brought the ancient wisdom of the East to the rescue
of a materialistic West In England Blavatsky s earliest followers were mostly men but a generation later the Theosophical
Society was dominated by women and theosophy had become a crucial part of feminist political culture Divine Feminine is
the first full length study of the relationship between alternative or esoteric spirituality and the feminist movement in
England Historian Joy Dixon examines the Theosophical Society s claims that women and the East were the repositories of
spiritual forces which English men had forfeited in their scramble for material and imperial power Theosophists produced
arguments that became key tools in many feminist campaigns Many women of the Theosophical Society became suffragists to
promote the spiritualizing of politics attempting to create a political role for women as a way to sacralize the public sphere
Dixon also shows that theosophy provides much of the framework and the vocabulary for today s New Age movement Many
of the assumptions about class race and gender which marked the emergence of esoteric religions at the end of the
nineteenth century continue to shape alternative spiritualities today **Freemasonry** John Sebastian Marlow Ward,1925
