Unlucky Lady:

Toxic Wives Christine Seifert, 2023-02-21 In the latter half of the 1800s widespread suspicion and anxiety emerged when wives of all ages and social status were accused of killing their husbands with poison However what seemed like a massive spike in murderous wives across the United Kingdom and United States may not have been a spike at all but rather a poison panic caused by hungry newspapers and mass hysteria This work explores several high profile cases of women on trial for murdering their husbands with poison Lust money and power were often central to the accusations and the sensational news coverage set off a century long witch hunt No woman was safe from suspicion during this untold chapter in the history of crime
