Unpopular Fictions:

Potent Fictions Mary Hilton, 2012-11-12 Today's children spend more time than ever before watching television playing computer games and reading comic and pulp fiction. Many of these are directly designed by the toy and media industry. Are children therefore simply being manipulated? There is widespread concern that because of these kinds of popular fiction children do not read quality literature resulting in lower standards of literacy. There is also the further fear that because many of these popular media portray highly stereotyped gendered images this too will have a damaging effect on children. Mary Hilton's fascinating book proves that there is another side to the argument. We do not have to view popular culture as a threat to our children or their education. The writers of this collection show how used carefully alongside other types of literature popular culture can actually help teachers to develop literacy in a broad and positive sense. *Lit & Media Tests in Sec English* Andrew Goodwyn, 1999-01-01 Examining how to make English teaching exciting and relevant in a modern technological and culturally diverse society this text explores poetry and classic texts and media and multicultural texts. It gives approaches to unexpected texts and explores gender issues in adolescent fiction. *Journal of Curriculum Studies* 37(1), 2005 1 *The Arts in Children's Lives* Liora Bresler, C.M.
