Unreasoning Mask:

The Unreasoning Mask Philip José Farmer, 2021-06-29 A novel of alien gods monsters and galactic destruction from the New York Times bestselling author of the Riverworld series Captain Ramstan commands the crew of one of the only alaraf drive vessels capable of instantaneous travel between two points of space While on an official scientific surveillance expedition he revises their mission to join the search for a missing ship But instead of the spacecraft they discover a planet in its death throes decimated by meteors that have been launched with extreme velocity from just outside of its atmosphere The ultimate source of the destruction however is beyond anyone s imagination Ramstan may be the only man who can stop the world destroying entity known as the Chaos Monster before it follows in their footsteps to Earth A stolen alien idol offers aid though at a price But there are those who hear his warnings as nothing but the rantings of a delusional madman and Ramstan will have to put his career and life on the line to prove that though he might not be the savior the universe wants he s exactly the one it needs Praise for Philip Jos Farmer An excellent science fiction writer Isaac Asimov Farmer s work is a blend of intellectual daring and pulp fiction prose The New York Times Farmer offers his audience a wide screen adventure that never fails to provoke amuse and educate His imagination is certainly of the first rank Time on The World of Tiers The greatest science fiction writer ever Leslie A Fiedler author of Love and Death in the American Novel *Moby Dick* Herman Melville, 1892 A literary classic that wasn t recognized for its merits until decades after its publication Herman Melville s *Moby Dick* tells the tale of a whaling ship and its crew who are carried progressively further out to sea by the fiery Captain Ahab Obsessed with killing the massive whale which had previously bitten off Ahab s leg the seasoned seafarer steers his ship to confront the creature while the rest of the shipmates including the young narrator Ishmael and the harpoon expert Queequeg must contend with their increasingly dire journey The book invariably lands on any short list of the greatest American novels [Achilles' Choice](#) David Lenson, 2015-03-08 Why during the last two hundred years when critical achievement in the field of tragedy has been outstanding has there been little creative practice David Lenson examines the work of various writers not ordinarily placed in the tragic tradition among them Kleist Goethe Melville Yeats and Faulkner and suggests that the tradition of tragedy does continue in genres other than drama that is in the novel and even in lyric poetry The notion of tragedy s migration from one genre to others indicates however rather sweeping modifications in the theory of tragedy Achilles Choice proposes a structural model for tragic criticism that synthesizes the almost scientific theories predominant since World War II with the irrationalist theories they replaced Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press

since its founding in 1905 The Routledge Companion to Absurdist Literature Michael Y. Bennett, 2024-05-29 The Routledge Companion to Absurdist Literature is the first authoritative and definitive edited collection on absurdist literature As a field defining volume the editor and the contributors are world leaders in this ever exciting genre that includes some of the most important and influential writers of the twentieth century including Samuel Beckett Harold Pinter Edward Albee Eugene Ionesco Jean Genet and Albert Camus Ever puzzling and always refusing to be pinned down this book does not attempt to define absurdist literature but attempts to examine its major and minor players As such the field is indirectly defined by examining its constituent writers Not only investigating the so called Theatre of the Absurd this volume wades deeply into absurdist fiction and absurdist poetry expanding much of our previous sense of what constitutes absurdist literature Furthermore long overdue approximately one third of the book is devoted to marginalized writers black Latin x female LGBTQ and non Western voices J.M. Coetzee and the Novel Patrick Hayes, 2010-08-12 Anti illusionism is I suspect only a marking of time a phase of recuperation in the history of the novel The question is what next J M Coetzee Patrick Hayes argues that the significance of Coetzee's fiction lies in the acuity with which it both explores and develops the tradition of the novel ranging from Cervantes Defoe and Richardson to Dostoevsky Kafka and Beckett's part of a sustained attempt to rethink the relationship between writing and politics For Coetzee questions about the future of the novel are closely related to what it means to write after Beckett and J M Coetzee and the Novel examines the ways in which his fiction discerningly assimilates the techniques of literary modernism to engage with some of the most troubling aspects of late twentieth century cultural and political life While Coetzee is rightly known as an intensely serious writer Hayes shows that the true seriousness of his writing is intimately bound up with comedy or to use the word Coetzee borrows from Joyce the jocoserious Opening up a range of new approaches to this major contemporary author J M Coetzee and the Novel argues that it is only by paying especially close attention to the experience of reading Coetzee's finely nuanced prose that his distinctive impact on longstanding questions about identity community and the nature of political modernity can be appreciated *Pasteboard Masks* Vega Curl, 1931 **Melville and the Politics of Identity** Julian Markels, 1993 *Moby Dick* Herman Melville, 1902 Unpainted to the Last Elizabeth A.
