Abreo,2010-05-11 Science finds that the reasoning process involving the left brain of humans is objectively driven while the right brain is subjectively driven While keeping this in mind as aspects of Sigmund Freud s model of the human psyche are discussed in relation to the fullness of Biblical Truth an insightful look about the relationship between thought and behavior can be explored SOLIDUS illustrates how the pinnacle for human understanding can only be achieved by the arisen state that is the arisen state of mind The process for arising as such is long term and cannot be achieved without the grace of God As the result of one s response in faith God consciousness is attained and so is liberty Written largely in academic style this book will appeal to those logically inclined seeking for deeper meanings as to why faith in God through Jesus Christ is the good and logical choice Even understandings that have been deemed by society as separate matters of human discourse such as Church and State are discussed in tandem and with balance

Preachers Nightmare Daniel Thomson,2026-01-02 Father John son of a Louisiana plantation owner inherits his family s estate in the 1800s a time rife with the moral complexities of slavery He finds himself in a profound internal conflict torn between the ingrained traditions of his upbringing which include slave ownership and his commitment to his vows as a Catholic priest This internal struggle is amplified by the burgeoning unrest among the enslaved people on the plantation who are increasingly unwilling to endure their subjugation As the enslaved begin to resist a series of unexplained and ominous occurrences plague the estate hinting at forces beyond the ordinary The escalating tension and supernatural events culminate in the tragic death of Father John which is attributed to a voodoo spell This ending underscores the novel s exploration of the profound spiritual and moral turmoil of the era suggesting that the sins of the past particularly slavery have a potent and destructive afterlife impacting both the oppressors and the oppressed and leading to a grim and inescapable fate
