**The Writers Directory**, 2013 **A bibliography on the imagined North** Daniel Chartier, 2007 *Canadian Books in Print 2002* Marian Butler, 2002-02 *Quill & Quire*, 1994 *Writers Directory M-Z* Miranda Herbert Ferrara, 2004-06 This comprehensive resource features up to date bibliographical biographical and contact information for approximately 20 000 living authors worldwide who have at least one English publication Entries typically include name pseudonyms addresses citizenship birth date specialization career information and a bibliography Contact information includes e mail addresses where available *International Books in Print*, 1986 **The Writers Directory 2008** Michelle Kazensky, 2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography **Canadian Periodical Index**, 1994 *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 *Arts & Humanities Citation Index*, 1996 **Buzkashi** G. Whitney Azoy, 2011-05-25 Much has happened since Buzkashi Game and Power in Afghanistan first appeared in 1982 the past three decades have devastated Afghanistan What began as the ethnography of a game has grown into a study recognized worldwide as the preeminent analysis of Afghan political dynamics Replete with significant updates including a new chapter featuring interviews with warlords regarding their sponsorship of buzkashi this richly illustrated Third Edition remains the first and only full scale anthropological examination of a single sport as well as a beautifully written longitudinal case study about the games social significance A master storyteller Azoy first shows how the game of buzkashi is played and introduces readers to its rich history its roots in tradition and the implicit and explicit meanings attached to it Next readers learn how the author shifted from his Kabul diplomatic life to rural fieldwork in northern Afghanistan and a 40 year journey toward understanding the complexities of this ancient wild card game Vivid with firsthand descriptions Azoy's book reveals buzkashi as a metaphor for chaos and an arena in the struggle for political control This new edition as one reviewer puts it turns a great book into a classic *Dem Days Was Hell - Recorded Testimonies of Former Slaves from 17 U.S. States* Work Projects Administration, 2024-01-15 In *Dem Days Was Hell Recorded Testimonies of Former Slaves from 17 U S States* the Work Projects Administration presents a poignant anthology of firsthand accounts that illuminate the harrowing realities faced by former slaves in the United States This seminal work is characterized by its raw authenticity and compelling narrative style blending oral histories with social commentary The testimonies collected during the tumultuous era of the Great Depression offer insights into the lived experiences of African Americans and serve not only as a historical documentation but also as a platform for the voices that have long been silenced The WPA's efforts reflect a broader literary trend toward the preservation of folk narratives allowing

readers to engage with a past that deeply informs the present sociopolitical landscape The Work Projects Administration a New Deal agency established to alleviate unemployment during the 1930s embarked on ambitious projects capturing the oral histories of marginalized communities By assembling these narratives the WPA aimed to document the harsh realities of American life while employing those in the arts and humanities The initiative reflects the organization s commitment to social justice and the preservation of cultural heritage which undoubtedly influenced the curation of this impactful compilation *Dem Days Was Hell* is highly recommended for scholars students and general readers eager to explore the intricate tapestry of American history through the eyes of its most affected individuals This book not only serves as an indispensable historical record but also as a reminder of the resilience of the human spirit in the face of systemic oppression Engaging with these narratives will enrich one s understanding of the complexities of race identity and memory in America In this enriched edition we have carefully created added value for your reading experience An Introduction draws the threads together discussing why these diverse authors and texts belong in one collection Historical Context explores the cultural and intellectual currents that shaped these works offering insight into the shared or contrasting eras that influenced each writer A combined Synopsis Selection briefly outlines the key plots or arguments of the included pieces helping readers grasp the anthology s overall scope without giving away essential twists A collective Analysis highlights common themes stylistic variations and significant crossovers in tone and technique tying together writers from different backgrounds Reflection questions encourage readers to compare the different voices and perspectives within the collection fostering a richer understanding of the overarching conversation

**Walking to Shenak** Carmelita McGrath,1994-01-01 Sheila is fresh out of university and a broken engagement Rudy is fascinated with storms and the unknown world of ice beyond the frozen harbour Carl dreams of defending his dissertation against an assembly of hunters while all the while his wife Marian is slipping away from him Dave doesn t like women much but he likes sleeping with them Alice has invented a tradition of women only parties to escape the tyranny of Hockey Night in Canada These are some of the outsiders who have come to work in a small northern town *The Sydney Gazette and New South Wales Advertiser* ,1899 *Landscape* ,1997
