## War A Memoir:

The War Marguerite Duras, 1987 The author once part of the French Resistance movement tells of her experiences during the Nazi occupation of Paris and the emotional return of her husband on the brink of death from being in a concentration camp

*War Stories* Philip Dwyer, 2016-11-01 Although war memoirs constitute a rich varied literary form they are often dismissed by historians as unreliable This collection of essays is one of the first to explore the modern war memoir revealing the genre's surprising capacity for breadth and sophistication while remaining sensitive to the challenges it poses for scholars Covering conflicts from the Napoleonic era to today the studies gathered here consider how memoirs have been used to transmit particular views of war even as they have emerged within specific social and political contexts

A Korean War Memoir John P. Collins, 2015-03-06 In the fall of 1950 I was a college student at Boston University The Korean War had just begun and while I had a college deferment I felt it was unjust that other young people were fighting in Korea while I was in the classroom Thus in January 1951 I joined the army paratroopers with the hope of doing my part as a member of an elite fighting force During a regimental parachute training jump I was severely injured and later reclassified as a logistical support person I was sent to the Korean War as a member of the Eighth Army In this memoir I provide readers with insights into my life as a soldier from basic training and jump school to my experiences in the Korean War For the first time documents from the National Army Records Archives and the US Army Transportation Museum are used in recounting the Korean War activities of my unit the 513th Transportation Truck Company These records are integrated with vignettes of my military life during the Korean War

*The Civil War Memoir of a Boy from Baltimore* Holly I. Powers, 2023-09-29 Fourteen year old George Maguire was eager to serve the Union when his home state Maryland began raising regiments for the coming conflict Too young to join he became a mascot for the Fifth Maryland Infantry Regiment organized in September 1861 Although he never formally enlisted or carried a weapon Maguire recounts several pivotal events in the war including the sea battle of the Monitor vs Merrimac Peninsula Campaign action and the Battle of Antietam During middle age Maguire recorded his memoir one of the few from a Maryland unit providing a distinctive blend of the adventures of a teenage boy with the mature reflection of a man His account of the Peninsula Campaign captures the success of the mobilization of forces and confirms the existing historical record as well as illuminating the social structure of camp life Maguire's duties evolved over time as he worked alongside army surgeons and assisted his brother in law a rabid abolitionist and provost marshal of the regiment This experience qualified him to work at the newly constructed Thomas Hicks United States General Hospital once he left the regiment in 1863 his memoir describes the staffing hierarchy and the operating procedures implemented by the Army Medical Corps at the end of the war illuminated with the author's own sketches of the facility From the Pratt Street riot in Baltimore to a chance encounter with Red Cross founder Clara Barton to a firsthand view of Hicks Hospital this sweeping yet brief memoir provides a unique opportunity to examine the experiences of a child during the war and to explore

the nuances of memory Beyond simply retelling the events as they happened Maguire's memoir is woven with a sense of remorse and resolve loss and fear and the pure wonderment of a teenage boy accompanying one of the largest assembled armies of its day *Walter's War* Walter Young,2015-06-19 A superbly written personal account of fighting years on the Western Front House to House David Bellavia,2012-12-25 On 8 November 2004 the largest battle of the War on Terror began with the US Army's assault on Fallujah and its network of tens of thousands of insurgents hiding in fortified bunkers on rooftops and inside booby trapped houses For Sgt David Bellavia of 3rd Platoon Alpha Company it quickly turned into a battle on foot from street to street and house to house On the second day he and his men laid siege to a mosque only to be driven to a rooftop and surrounded before heavy artillery could smash through to rescue them By the third day Bellavia charges an insurgent filled house and finds himself trapped with six enemy fighters One by one he shoots wrestles stabs and kills five of them until his men arrive to take care of the final target It is one of the most hair raising battle stories of any age yet it does not spell the end of Bellavia's service It would take several more weeks before the Battle of Fallujah finally came to a close with Bellavia miraculously alive In the words of the author HOUSE TO HOUSE holds nothing back It is a raw gritty look at killing and combat and how men react to it It is gut wrenching shocking and brutal It is honest It is not a glorification of war Yet it will not shy from acknowledging this sometimes it takes something as terrible as war for the full beauty of the human spirit to emerge **When the Grass Stops Growing** Carol Mather,1997-04-09 Sir Carol Mather MC had a fascinating war His memoirs which quickly sold out covers service with Sterling's SAS his escape from a POW camp in Italy and his two tours on Montgomery's small personal staff No wonder this book was widely reviewed and described as a classic in *The Spectator* *Memoirs of the Civil War in Wales and the Marches, 1642-1649* John Roland Phillips,1878 **Six-Word War** Mike Nemeth,Shaun Wheelwright,Larry Smith,2014-01-15 Instead of a book about Iraq or Afghanistan that tells only one soldier's perspective Six Word War is the first crowdsourced war memoir that shares a story different than any other ever told about war For the first time in history one book contains the collective experience of our military at war in their own words In a collaboration with Larry Smith and his original Six Word Memoir project this book contains thousands of raw war stories from a generation at war in Iraq and Afghanistan What people are saying about Six Word War *The Atlantic* In the age of Twitter where 140 characters are redefining how we consume nonfiction the six word war matters Together the stories weave a new perspective of how this generation defines the war and warrior A generation that is painstakingly aware of its place in the world and the consequences of its actions *Stars Stripes* This project will become the collective experience of our military at war for the Twitter generation CBS Evening News with Scott Pelley Veterans describe the war the anguish the boredom the horror in exactly six words **Memoir and Letters of Charles Sumner** Edward L. Pierce,1893 *Memoirs of the Civil War in Wales and the Marches* John Roland Seymour Phillips,1874 **The War On Woke** KI,2025-11-04 Nurse Memoirs from the Great War in Britain, France, and Germany Jerry Palmer,2021-10-25 Nurse

Memoirs from the Great War in Britain France and Germany examines an understudied corpus of memoirs in English French and German stemming from the unprecedented involvement of women in the war effort Jerry Palmer considers the memoirs in relationship to public opinion collective memory and other women s writing about the war Through close readings of the memoirs and their contexts the book identifies themes present in the texts and considers the nurse memoir as rhetoric examining to what extent the texts are promoting or countering arguments in the public sphere about their involvement or more widely about women s position in society Palmer explores the multiple contexts related to the nurse memoirs including public response to volunteer wartime nursing the organisation of the military health services of the three nations and their conduct in the war and changes in the post war organization of public health services and the professionalization of nursing
