The Gendering of Men, 1600-1750 Thomas Alan King,2004 Taking on nothing less than the formation of modern sexual and gender identities King examines the way masculinity in the 17th and 18th centuries was reconfigured and how heterosexuality in turn became naturalized This is a crucial work by one of the field s leading scholars The Gendering of Men 1600 1750 traces the transition from a society based on alliance which had subordinated all men women and boys to higher ranked males to one founded in sexuality through which men have embodied their claims to personal and political privacy King proposes that the male body is a performative production marking men s resistance to their subjection within patriarchy and sovereignty Emphasizing that categories of gender must come under historical analysis The Gendering of Men explores men s participation in an ongoing struggle for access to a universal manliness transcending other biological and social differentials

Children's Book Review Index Gary C. Tarbert,2006 *Engendering the City* Marsha Meskimmon,1997 Concentrating upon contemporary women photographers who have used the theme of the city in their work this volume provides a challenging viewpoint on notions of gender space and representation Engendering the City looks at the ways in which women have negotiated with the powerful tropes of modernism notions of the body and embodiment and the concept of the pedestrian to form new models of seeing and knowing Feminist reconceptions of space are combined with innovative representational strategies which reveal the many ways in which women can engender the city
