Global Trend Fairy Tale Retelling:

Global Trends in Translator and Interpreter Training Séverine Hubscher-Davidson, Michal Borodo, 2012-05-31 Analyzes topics and issues in translator and interpreter training focussing on areas that are new and underexplored yet crucial for translator interpreter practice

The Routledge Companion to Children's Literature and Culture Claudia Nelson, Elisabeth Wesseling, Andrea Mei-Ying Wu, 2023-11-30 Focusing on significant and cutting edge preoccupations within children s literature scholarship The Routledge Companion to Children s Literature and Culture presents a comprehensive overview of print digital and electronic texts for children aged zero to thirteen as forms of world literature participating in a panoply of identity formations Offering five distinct sections this volume Familiarizes students and beginning scholars with key concepts and methodological resources guiding contemporary inquiry into children s literature Describes the major media formats and genres for texts expressly addressing children Considers the production distribution and valuing of children s books from an assortment of historical and contemporary perspectives highlighting context as a driver of content Maps how children s texts have historically presumed and prescribed certain identities on the part of their readers sometimes addressing readers who share some part of the author s identity sometimes seeking to educate the reader about a presumed other and in recent decades increasingly foregrounding identities once lacking visibility and voice Explores the historical evolutions and trans regional contacts and inter connections in the long process of the formation of global children s literature highlighting issues such as retranslation transnationalism transculturality and new digital formats for considering cultural crossings and renegotiations in the production of children s literature Methodically presented and contextualized this volume is an engaging introduction to this expanding and multifaceted field

New Trends in Early Foreign Language Learning Maria González Davies, 2012-01-17 This volume is the result of the presentations and discussions carried out at the Conference on Early Foreign Language Learning in Educational Contexts Bridging Good Practices and Research organized by the University Ramon Lull the University of Bari and LEND Lingua e Nuova Didattica in March 2010 At the Conference both teachers and researchers met to examine recent language teaching theories and practices from a transnational and intercultural perspective on the one hand and on the other to fill the gap in the field of English as a Foreign Language EFL in schools and to pave the way for a wider platform of discussion between School and University Since these two institutions have often had little contact and as there is excellent work carried out in both our attempt was to build more solid bridges across their contexts engaging school teachers in ongoing research and bringing everyday classroom practice nearer to university theoreticians in an open exchange forum so that the reflection on teaching and learning becomes relevant and rewarding for the participants involved in Early Foreign Language Learning in 21st century contexts Drawing on the main topics presented throughout the Conference this book has been structured around three main thematic areas 1 the Age Factor 2 CLIL and Content based research and practices and 3 developing intercultural competence use of the L1 and translation as mediation

skills Each of these sections encompasses high quality contributions all informed by salient and recent research clear and justified theoretical standpoints and good practices which are appealing to an international audience and setting The editors sincerely hope that this volume contributes to widen the field of foreign language teaching and learning to include studies on young learners perceptions and performance At the same time they would like to highlight the decisive new focus on language learning adopted in the 21st century the inclusion of a wider vision of language acquisition one that highlights the relevance of using languages not only to communicate but more relevantly to mediate between cultures as a means to bring together the plurilingual and pluricultural citizens of our future

The Fairy Tale World Andrew Teverson,2019-03-26 The Fairy Tale World is a definitive volume on this ever evolving field The book draws on recent critical attention contesting romantic ideas about timeless tales of good and evil and arguing that fairy tales are culturally astute narratives that reflect the historical and material circumstances of the societies in which they are produced The Fairy Tale World takes a uniquely global perspective and broadens the international cultural and critical scope of fairy tale studies Throughout the five parts the volume challenges the previously Eurocentric focus of fairy tale studies with contributors looking at the contrast between traditional canonical fairy tales and more modern reinterpretations responses to the fairy tale around the world including works from every continent applications of the fairy tale in diverse media from oral tradition to the commercialized films of Hollywood and Bollywood debates concerning the global and local ownership of fairy tales and the impact the digital age and an exponentially globalized world have on traditional narratives the fairy tale as told through art dance theatre fan fiction and film This volume brings together a selection of the most respected voices in the field offering ground breaking analysis of the fairy tale in relation to ethnicity colonialism feminism disability sexuality the environment and class An indispensable resource for students and scholars alike The Fairy Tale World seeks to discover how such a traditional area of literature has remained so enduringly relevant in the modern world

A Cultural History of Fairy Tales in the Modern Age Andrew Teverson,Anne E. Duggan,2023-11-02 Part six of a six volume set The Modern Age 1920 to the present In a work that spans 2 500 years these ambitious questions are addressed by over 50 experts each contributing their overview of a theme applied to a period in history With the help of a broad range of case material they illustrate broad trends and nuances of the fairy tale in Western culture from antiquity to the present Individual volume editors ensure the cohesion of the whole and to make it as easy as possible to use chapter titles are identical across each of the volumes This gives the choice of reading about a specific period in one of the volumes or following a theme across history by reading the relevant chapter in each of the six
