poetry workshop we hear from the children in their own words and learn the harsh reality of the lived experiences of migrating people who are trying to escape violence and poverty in their home countries Their pasts their struggles their hopes and their dreams are highlighted through the medium of poetry The author shares these stories as well as those of mothers and children at a different facility in Dilley Texas infamous site of the death of 20 month old Mariee Juarez whose death made front page headlines in 2018 Each chapter is grounded in the voices of migrating people from El Salvador Honduras Mexico and Cuba Through these stories the reader learns the intricacies of our immigration system and the challenges migrants face as they work toward a better life Armed with this knowledge readers may be inspired to act on behalf of these powerless children whether by implementing a model poetry workshop in their own community or working with advocacy groups or legal aid groups to champion for change
