Samson H. Levey

Targum Of Ezekiel:

The Targum of Ezekiel ,1990 Rabbinic Judaism has transmitted Targums of all the books of the Hebrew Canon with the exception of Daniel and Ezra Nehemiah which are themselves partly in Aramaic Translations of books of the Hebrew Bible into Aramaic for liturgical purposes must have begun before the Christian era although none transmitted by Rabbinic Judaism can be shown to be that old The aim of this series is to translate all the traditionally known Targums into modern English idiom while respecting the particular and peculiar nature of what these Aramaic translations were originally intended to be The translators have made use of what they feel to be the best printed editions of the Aramaic Targum in question or have directly consulted the manuscripts The translation aims at giving a faithful rendering of the Aramaic The Targums are not of the same kind They were translated at different times and have more than one interpretive approach to the Hebrew Bible Targumic deviations from the Hebrew Text are indicated in italics *Ezekiel 13* Samson H. Levey,1987-07-01 The first translation into English of all the extant Targums together with introductions and annotations Each volume examines the place of a particular Targum or group of Targums in Jewish life liturgy and biblical interpretation Each Targum is evaluated in the light of Jewish tradition and of modern linguistic and biblical research The notes point to parallel passages in other Jewish and Christian biblical and liturgical texts Each translated Targum has its own apparatus indicating the relationship between the English translation and the Aramaic original and every volume has a useful bibliography *The Targum of Ezekiel* Samson H.
