**Task Force 57** Peter Charles Smith,1969      **Task Force 57** Peter C. Smith,1969      **Task Force 57** Peter C. Smith,1994      **The Marshalls** United States. Marine Corps,Robert Debs Heintz,1954      *Allies against the Rising Sun* Nicholas Evan Sarantakes,2009-10-27 In the annals of World War II the role of America s British allies in the Pacific Theater has been largely ignored Nicholas Sarantakes now revisits this seldom studied chapter to depict the delicate dance among uneasy partners in their fight against Japan offering the most detailed assessment ever published of the U S alliance with Great Britain Australia New Zealand and Canada Sarantakes examines Britain s motivations for participating in the invasion of Japan the roles envisioned by its Commonwealth nations and the United States decision to accept their participation He shows how the interests of all allies were served by maintaining the coalition even in the face of disputes between nations between civilian and military leaders and between individual services and that allied participation despite its diplomatic importance limited the efficiency of final operations against Japan Sarantakes describes how Churchill favored British led operations to revive the colonial empire while his generals argued that Britain would be further marginalized if it didn t fight alongside the United States in the assault on Japan s home islands Meanwhile Commonwealth partners preoccupied with their own security concerns saw an opportunity to support the mother country in service of their own separatist ambitions And even though the United States called the shots it welcomed allies to share the predicted casualties of an invasion Sarantakes takes readers into the halls of both civil and military power in all five nations to show how policies and actions were debated contested and resolved He not only describes the participation of major heads of state but also brings in lesser known Commonwealth figures plus a cast of military leaders including General of the Army Douglas MacArthur and Fleet Admiral Chester Nimitz on the American side and Admiral of the Fleet Sir Andrew Cunningham and Field Marshal Sir Alan Brooke on the British He also paints vivid scenes of battle including the attack of the British Pacific Fleet on Japan and ground fighting on Okinawa Deftly blending diplomatic political and military history encompassing naval air and land forces Sarantakes s work reveals behind the scenes political factors in warfare alliances and explains why the Anglo America coalition survived World War II when it had collapsed after World War I      History of United States Naval Operations: Korea James A. Field,1962 Donated by Albert Benshoff      Organization Development for Academic Libraries Edward R. Johnson,Stuart Mann,1980-05-06      British Pacific Fleet 1944-45 Brian Lane Herder,2023-11-23 An illustration packed new account of the powerful Royal Navy fleet that fought alongside the US Navy throughout the last year of the Pacific War The British Pacific Fleet was the Royal Navy s primary contribution to the direct defeat of Japan in 1945 and is among the most powerful fleets Britain has ever sent into action With naval supremacy in home waters achieved by 1944 many of the best and most modern ships in the Royal Navy could be sent to the Pacific including battleships submarines light forces replenishment groups and shore establishment However the main striking force was the fast carrier force Illustrated

throughout with dramatic new artwork 3D diagrams maps and archive photos this book explains how the Royal Navy joined the Pacific carrier war and how the fleet adopted the US Navy's ruthlessly effective fast carrier doctrine With ships optimized for short range operations in the Atlantic and Mediterranean the BPF had to rapidly adapt to the long range high tempo warfare of the Pacific and the story is often one of inspired improvisation The BPF shared the US Navy's terrifying experience of kamikaze strikes and famously its armoured carriers proved tougher than the US counterparts With discussion of the ships their technology how the fleet was organized and commanded and how it fought the campaign this book is a fascinating exploration of the Royal Navy's part in the victory over Japan *British Pacific Fleet 1944-45* Brian Lane Herder, 2023-11-21 An illustration packed new account of the powerful Royal Navy fleet that fought alongside the US Navy throughout the last year of the Pacific War The British Pacific Fleet was the Royal Navy's primary contribution to the direct defeat of Japan in 1945 and is among the most powerful fleets Britain has ever sent into action With naval supremacy in home waters achieved by 1944 many of the best and most modern ships in the Royal Navy could be sent to the Pacific including battleships submarines light forces replenishment groups and shore establishment However the main striking force was the fast carrier force Illustrated throughout with dramatic new artwork 3D diagrams maps and archive photos this book explains how the Royal Navy joined the Pacific carrier war and how the fleet adopted the US Navy's ruthlessly effective fast carrier doctrine With ships optimized for short range operations in the Atlantic and Mediterranean the BPF had to rapidly adapt to the long range high tempo warfare of the Pacific and the story is often one of inspired improvisation The BPF shared the US Navy's terrifying experience of kamikaze strikes and famously its armoured carriers proved tougher than the US counterparts With discussion of the ships their technology how the fleet was organized and commanded and how it fought the campaign this book is a fascinating exploration of the Royal Navy's part in the victory over Japan **Federal Land, Western Anger** R. Army the Marine corps and the Navy all played a vital part Tactical action is treated on levels lower than those usually presented in the history of operations in the European theaters The physical limitations of the terrain fought over in the Pacific restricted the number and size of the units which could be employed and brought into sharp focus the operations of regiments battalions and smaller units The description of small unit action has the merit of giving the non professional reader a fuller record of the nature of the battlefield in modern war and the professional reader a better insight into troop leading Okinawa The Last Battle is the work of combat historians of the 1st Information and Historical Service Tenth Army from the Foreword Victory at Mortain Mark J. Reardon,2002 Determined to drive the Allies back to the English Channel elements of four combat hardened panzer divisions faced off against a single American infantry division near the town of Mortain The Americans held their ground enabling the Allied armies to secure the invasion and ultimately liberate France Reardon offers a new perspective on the German defeat in Normandy
