## Wisdom And Metaphor:

**Wisdom & Metaphor** Jan Zwicky, 2014-04-17 In the foreword to *Wisdom Metaphor* Jan Zwicky observes that those who think metaphorically are enabled to think truly because the shape of their thinking echoes the shape of the world *Wisdom Metaphor* explores the ways we come to understand the world through analogical structures and the relation of this form of knowing to conventional epistemology and ontology Zwicky uses the nature of the book itself with its facing pages to create resonant structures of aphorism and quotation which allow the reader to experience the kind of thinking she describes The author's wide ranging influences coupled with an understated largely spatial style of discourse make this a remarkably original approach to long standing questions about meaning and language It offers a unique and compelling argument for the fundamental importance of metaphor to philosophy

**Metaphors in the Discussion on Suffering in Job 3-31** Hanneke van Loon, 2018-09-11 In *Metaphors in the Discussion on Suffering in Job 3-31* Hanneke van Loon offers a new approach to the theme of suffering in the book of Job Her analysis of metaphors demonstrates that Job goes through different stages of existential suffering in chapters 3-14 and that he addresses the social dimension of his suffering in chapters 17 and 19 Van Loon claims that Job's existential suffering ends in 19:25 and that chapters 23-31 reflect a process in which Job translates his own experience into a call upon the audience to adopt a new attitude toward the unfortunate ones in society The theoretical approach to metaphors is based on insights from cognitive linguistics
