Witness To The German Revolution

Ralph Haswell Lutz

Witness To The German Revolution:

Failure of a Revolution: Germany 1918-1919 Sebastian Haffner, 2019-08-16 The masterfully told story of what happened in Germany following its defeat in the first world war the Kaiser's exit from the stage the sailors' mutiny the spreading of the revolution and its betrayal by its own chosen socialist leaders Haffner recounts the murder of Karl Liebknecht and of Rosa Luxemburg and the deliberate creation of those relentless counter-revolutionary forces that became the nightmare of the Third Reich More than a brilliant historical study it has vital lessons for our own day Haffner's history of the revolution is unrivalled tight precise passionately rational brilliantly formulated Profil Wien No one else has described and analysed the events of 1918-19 that were decisive for the century as well and as convincingly as Sebastian Haffner Tagespiegel For Haffner the revolution was a social democratic revolution That it was nevertheless ultimately suppressed bloodily by social democratic politicians confirms Haffner's suspicion that this was a case of betrayal Norddeutscher Rundfunk North German Radio Haffner's book is one of the few that breaks open previously locked doors and shines a light on dark corners of our past K Iner Stadt Anzeiger Sebastian Haffner's brilliant intellect clarifies contrasts and similarities in situations motivations and deeds and describes lucidly and dramatically the main lines of the complex developments from September 1918 to January 1919 Dieter Wunderlich Those who know Haffner's method of making the writing of history an inspection of the past motivated by the present will appreciate this book zitty Berlin **The German Revolution, 1918-1919** A. J. Ryder, 1959

The German Revolution, 1918-1919 Ralph Haswell Lutz, 1968 Germany and the Revolution Johann Joseph von Goerres, 1820 The Lost Revolution Chris Harman, 1982 Germany 1918 to 1923 Long out of print this is a timely reprint of Harman's highly readable account of a decisive event in 20th century history *A People's History of the German Revolution, 1918-19* William A. Pelz, 2018 In October 1918 war-weary German sailors mutinied rather than engage in one final fruitless battle with the British Royal Navy That revolt coming as World War I slowly ended quickly became far bigger erupting into a full-scale revolution that toppled the monarchy and inaugurated a brief period of radical popular democracy This book tells that mostly forgotten story going beyond the handful of familiar names such as Rosa Luxemburg and Karl Liebknecht to present the revolution from the bottom up Through stories of the actions of rank and file activists and ordinary workers William A. Pelz builds a compelling case that for a brief period the actions of the common people shaped a truly revolutionary society **The German Revolution, 1918-1919 (Classic Reprint)** Ralph Haswell Lutz, 2018-05-04 Excerpt from *The German Revolution 1918-1919* The German revolutionary movement Of 1918 and 1919 not only destroyed the Bismarckian Empire but fundamentally altered the life and institutions Of the German people Although it has as yet received little attention from historians a knowledge Of the revolution is essential to an understanding of contemporary Germany and Of those economic and political problems resulting from the defeat Of the German Empire in the World War This monograph is a study of the origins events tendencies and results of the German Revolution based upon personal Observations and an

examination Of the documentary and other printed materials available AS a member Of the American Military Mission in Berlin under the command of General George H Harries from March to August 1919 the author had Opportunities to Observe the revolutionary struggles in the capital as well as in the several states About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The German Revolution Ralph Haswell Lutz, William Z. Foster, 2011 Two contemporary accounts of the German Revolution which overthrew the Kaiser and established the Weimar Republic and the failed attempt by Rosa Luxemburg and Karl Liebknecht s Spartacus group the KPD Communist Party of Germany to establish a Soviet Republic in Germany

The German Revolution of 1849, Being an Account Charles W. Dahlinger, 1903

Working-Class Politics in the German Revolution Ralf Hoffrogge, 2015-12-22 An authoritative and engaging political biography of one of the most important yet largely unknown leaders of the German revolution

Eduard Bernstein on the German Revolution Marius S. Ostrowski, 2020 This book presents two major texts and selected shorter writings by the social democratic thinker and politician Eduard Bernstein translated into English in full for the first time The German Revolution A History of the Emergence and First Working Period of the German Republic How A Revolution Perished and articles from Vorwärts and other socialist periodicals Written in the aftermath of the 1918 German Revolution and the end of WWI they address the overthrow of autocratic rule in Germany and provide a live chronicle and retrospective assessment of the Weimar Republic s foundation Bernstein gives a detailed chronology of the German Revolution and its intellectual economic and political context and offers a historical analogy in his account of the 1848 French Revolution which differs in key respects from that of Karl Marx in The Eighteenth Brumaire of Louis Napoleon Drawing on his own experience of the events he describes he revisits the socialist debate over reform or revolution that he himself had provoked at the turn of the 20th century and consciously seeks to wrest ownership of the Revolution s legacy away from the Spartacist and communist left In these works Bernstein exhorts social democrats to rally behind the nascent Republic and resist the siren calls of its militant opponents on radical left and right and he engages with themes of party unity political violence democracy and the role of ideology that have echoed through left theory and strategy ever since Marius S Ostrowski is Examination Fellow in Politics at All Souls College University of Oxford UK His publications include Eduard Bernstein on Social Democracy and International Politics Essays and Other Writings 2018 and Left Unity Lessons from Left History 2019

Witness to the German Revolution Victor Serge, 2000 Victor Serge had the opportunity to witness the events that took place in Germany from 1919 to 1923 when the

whole country was rocked by insurrectionary action Redwords is proud to publish in English for the first time crucial writings and articles which he wrote during this historic period Including an overview of Serge s life and a short preface to each piece to place it in context this will be an invaluable reference not just to students of European History but also to the general reader of Serge s fictional works

Debates on the German Revolution Of 1918-19 Matthew Stibbe,2023-05-23 This book examines how historians have interpreted the German revolution of 1918 19 from its inception to the present day It charts how the debate on this revolution changed during the Weimar republic the Nazi period and the second world war in the time of Germany s division from 1949 to 1990 and finally in the years since German reunification

The German Revolution H. Powys Greenwood,1992-01-01

A People's History of the German Revolution William Pelz,2018-06-20 In October 1918 war weary German sailors mutinied when the Imperial Naval Command ordered their engagement in one final fruitless battle with the British Royal Navy This revolt in the dying embers of the First World War quickly erupted into a full scale revolution that toppled the monarchy and inaugurated a period of radical popular democracy The establishment of the Weimar Republic in 1919 ended the revolution relegating all but its most prominent leaders to a historical footnote In A People s History of the German Revolution William A Pelz cuts against the grain of mainstream accounts that tend to present the revolution as more of a collapse or just a chaotic interregnum that preceded the country s natural progression into a republic Going beyond the familiar names of Karl Liebknecht Rosa Luxemburg or Clara Zetkins Pelz explores the revolution from the bottom up focusing on the active role that women rank and file activists and ordinary workers played in its events Rejecting the depiction of agency as exclusively in the hands of international actors like Woodrow Wilson or in those of German elites he makes the compelling case that for a brief period the actions of the common people shaped a truly revolutionary society

And the Kaiser Abdicates: the German Revolution November 1918-August 1919 Stephen Miles Bouton,2020-09-28 The peoples of this generation at least those of highly civilized and cultured communities had little or no familiarity with revolutions and the history of revolutions before March 1917 when Tsar Nicholas II was overthrown There was and still is something about the very word revolution which is repugnant to all who love ordered and orderly government It conjures up pictures of rude violence of murder pillage and wanton destruction It violates the sentiments of those that respect the law for it is by its very nature a negation of the force of existing laws It breaks with traditions and is an overcoming of inertia and inertia rules powerfully the majority of all peoples The average American is comparatively little versed in the history of other countries He knows that the United States of America came into existence by a revolution but revolutionary is for him in this connection merely an adjective of time used to locate and describe a war fought between two powers toward the end of the eighteenth century He does not realize or realizes but dimly the essential kinship of all revolutions Nor does he realize that most of the governments existing today came into being as the result of revolutions some of them bloodless it is true but all at bottom a revolt against existing laws and governmental forms The extortion of the

Magna Charta from King John in 1215 was not the less a revolution because it was the bloodless work of the English barons. It took two bloody revolutions to establish France as a republic. All the Balkan states are the products of revolution. A man need not be old to remember the overthrow of the monarchy in Brazil; the revolution in Portugal was but yesterday as historians count time. Only the great wisdom and humanitarianism of the aged King Oscar II prevented fighting and bloodshed between Sweden and Norway when Norway announced her intention of breaking away from the dual kingdom. The list could be extended indefinitely. The failure to recall or realize these things was one of the factors responsible for the universal surprise and amazement when the Hohenzollerns were overthrown. The other factor was the general and justified impression that the government of Germany was one of the strongest, most ably administered and most homogeneous governments of the world. And yet Germany too, or what subsequently became the nucleus of Germany, had known revolution. It was but seventy years since the King of Prussia had been forced to stand bareheaded in the presence of the bodies of the March patriots who had given their lives in a revolt which resulted in a new constitution and far reaching concessions to the people. Even to those who did recall and realize these things however, the German revolution came as a shock. The closest observers, men who knew Germany intimately, doubted to the very last the possibility of successful revolution there. And yet viewed in the light of subsequent happenings it will be seen how natural, even unavoidable, the revolution was. It came as the inevitable result of conditions created by the war and the blockade. It will be the purpose of this book to make clear the inevitableness of the development and to explain the events that followed it. For a better understanding of the whole subject, a brief explanation of the structure of Germany's governmental system is in place. This will serve the double purpose of showing the strength of the system which the revolution was able to overturn and of dispelling a too general ignorance regarding it. The general condemnation of Prussia, the Prussians and the Hohenzollerns must not be permitted to obscure their merits and deserts. For more than five hundred years without a break in the male line, this dynasty handed down its inherited rights and produced an array of great administrators who within three centuries raised Prussia to the rank of a first rate power. The kingdom that subsequently became the nucleus for the German Empire lost fully half its territory by the Peace of Tilsit in 1807 when following the reverses in the Napoleonic wars, Germany was formally dissolved and the Confederation of the Rhine was formed by Napoleon. The standing army was limited to 42 000 men and trade with Great Britain was prohibited. The Confederation obeyed the letter of the military terms but evaded its spirit by successively training levies of 42 000 men and within six years enough trained troops were available to make a revolt against Napoleonic slavery possible. The French were routed and cut to pieces at the Battle of the Nations near Leipsic in 1813 and Prussian Germany was again launched on the road to greatness. A certain democratic awakening came on the heels of the people's liberation from foreign domination. It manifested itself particularly in the universities. The movement became so threatening that a conference of ministers of the various states was convoked in 1819 to consider counter measures. The result was an order disbanding the political unions of

the universities placing the universities under police supervision and imposing a censorship upon their activities The movement was checked but not stopped In 1847 ominous signs of a popular revolution moved King Frederick William IV of Prussia to summon the Diet to consider governmental reforms The chief demand presented by this Diet was for a popular representation in the government The King refused to grant this A striking commentary upon the political backwardness of Germany is furnished by the fact that one of the demands made by a popular convention held in Mannheim in the following year was for trial by jury a right granted in England more than six hundred years earlier by the Magna Charta Other demands were for the freedom of the press and popular representation in the government The revolution of 1848 in Prussia while it failed to produce all that had been hoped for by those responsible for it nevertheless resulted in what were for those times far reaching reforms A diet was convoked at Frankfort on the Main It adopted a constitution establishing some decided democratic reforms and knit the fabric of the German confederation more closely together

The German Revolution H. Powys Greenwood, 1992-01-01

The German Revolution, 1917-1923 Pierre Broué, 1998-05-01 Broué enables us to feel that we are actually living through these epoch making events Do not miss this magnificent work Robert Brenner UCLA A magisterial definitive account of the upheavals in Germany in the wake of the Russian revolution Broué meticulously reconstitutes six decisive years 1917-23 of social struggles in Germany The consequences of the defeat of the German revolution had profound consequences for the world Pierre Broué 1926 2005 was for many years Professor of Contemporary History at the Institut d études politiques in Grenoble and was a world renowned specialist on the communist and international workers movements

Witneb To The German Revolution Introduction

In today's digital age, the availability of Witneb To The German Revolution books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Witneb To The German Revolution books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Witneb To The German Revolution books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Witneb To The German Revolution versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Witneb To The German Revolution books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Witneb To The German Revolution books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Witneb To The German Revolution books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Witneb To The German

Revolution books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Witneb To The German Revolution books and manuals for download and embark on your journey of knowledge?

FAQs About Witneb To The German Revolution Books

1. Where can I buy Witneb To The German Revolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
