Witches Of Devon:

Devon's Forgotten Witches Tracey Norman, Mark Norman, 2025-08-21 Witchcraft and witches throughout history have long captured the imagination and many famous cases are still studied today the Pendle Witches Isobel Gowdie the Salem Witch Trials and the Bideford Witches of Devon Yet hidden away in archives are records of long forgotten cases Many of these are tragic some are unusual perhaps even inexplicable but all are fascinating in their own right Devon's Forgotten Witches 1860-1910 takes a deep dive through some of these records bringing to the surface accusations of witchcraft in the county that have languished unacknowledged in the British Newspaper Archives for decades These are the stories of ordinary people whose lives were touched in some way by witchcraft either as a profession or as a solution to life's difficulties Authors Tracey Norman and Mark Norman examine these cases within their historical context pulling together details from various news reports to explore what might really have happened to those involved This work provides an intriguing snapshot of press coverage in the Victorian and Edwardian eras showing how the public were urged to view those who still put their faith in incredible superstition Most importantly the retelling of these stories gives a new voice to those whom the historical record has silenced *Devonshire Witches* Paul Karkeek, 2021-07-21 This book has been considered important throughout the human history and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations This whole book has been reformatted retyped and designed These books are not made of scanned copies of their original work and hence the text is clear and readable

Cards, Cocoa and Charms Tracey Norman, 2019 *Wives, Widows, Witches & Bitches* Janet A. Thompson, 1993 This book is a study of women and witchcraft in seventeenth century Devon It focuses on the social political economic and religious factors in the county and various borough towns which led them to be likely to single out women for the crime of witchcraft It also deals with female alehouse keepers defamation suits brought by women against other women for sexual slander wills administrations and the disposal of real and personal wealth by and to women in this period **Folklore and Witchcraft of Devon and Cornwall** Kelvin I. Jones, 1997 **The Bibliographer's Manual of English Literature** William Thomas Lowndes, Henry George Bohn, 1871 **The Last Witches of England** John Callow, 2021-10-07 Fascinating and vivid New Statesman Thoroughly researched The Spectator Intriguing BBC History Magazine Vividly told BBC History Revealed A timely warning against persecution Morning Star Astute and thoughtful History Today An important work All About History Well researched The Tablet On the morning of Thursday 29 June 1682 a magpie came rasping rapping and tapping at the window of a prosperous Devon merchant Frightened by its appearance his servants and members of his family had within a matter of hours convinced themselves that the bird was an emissary of the devil sent by witches to destroy the fabric of their lives As the result of these allegations three women of Bideford came to be forever defined as witches A Secretary of State brushed aside their case and condemned them to the gallows to hang as the last group of women to be

executed in England for the crime Yet the hatred of their neighbours endured For Bideford it was said was a place of witches Though pretty much worn away the belief in witchcraft still lingered on for more than a century after their deaths In turn ignored reviled and extinguished but never more than half forgotten it seems that the memory of these three women and of their deeds and sufferings both real and imagined was transformed from canker to regret and from regret into celebration in our own age Indeed their example was cited during the final Parliamentary debates in 1951 that saw the last of the witchcraft acts repealed and their names were chanted as both inspiration and incantation by the women beyond the wire at Greenham Common In this book John Callow explores this remarkable reversal of fate and the remarkable tale of the Bideford Witches [A Second Supplement to the Catalogue of Books in the Signet Library. 1882-1887](#) Signet Library (Great Britain),1891 **Historic Scenes in Perthshire** William Marshall,1880 *Devon & Cornwall Notes & Queries* John S.
