Stewards Of God:

Stewards of God Milo Kauffman, 2001-12-28 The great promises of God in his word to his faithful stewards are by no means idle words nor exaggerations God is still waiting to open the windows of heaven and pour out his blessings Kauffman examines the implications of the Bible's teachings regarding the proper stewardships of our lives our abilities and our possessions His emphasis is much broader than money but he makes a vigorous plea for increased giving and assures the reader of new blessings from God Is it fair for one family to have more food than they can eat more money than they can spend more clothes than they can wear and more houses than they can live in while other families have no food to eat no money to spend only rags to wear and no roof over their heads Christian stewardship demands that we share and that we teach others to share Energy crises depletion of natural resources and the hunger in the world call into question the morality of affluence If humanity is to survive we must become better stewards Those who read this book will develop a new appreciation for God's generosity to us and a new sense of responsibility for making the best use of his gifts [Are We Stewards of God's Creation?](#) Marcella A. The Ministry of the Word, Vol. 23, No. 12 Various Authors, 2019-12-01 This issue of The Ministry of the Word contains the nine messages given during the international training for elders and responsible ones held in Bangalore India on October 3 through 5 2019 The general subject of this series of messages is The One New Man Fulfilling God s Purpose in Creating Man The eternal purpose of God is to have a corporate man to express Him and represent Him For this purpose God created man in His image and according to His likeness so that through His economy man may receive His life and nature and thereby become His expression God s intention in giving man dominion is for him to exercise God s authority over the earth in order that the kingdom of God may come to the earth However the first man Adam became damaged and degraded therefore he failed to fulfill God s purpose in creating man Christ as the second man and the last Adam became a prototype and pattern of the expression living conduct and work of the new man who fulfills God s intention In His humanity Christ expressed the bountiful God in His rich attributes through His aromatic virtues Christ s God man living constituted Him to be a prototype so that He may be reproduced in us and live again in us the church as the Body of Christ and the new man The church the Body of Christ is the one new man to accomplish God s eternal purpose On the cross Christ created the new man in Himself by abolishing in His flesh the law of the commandments in ordinances forms or ways of living and worship which create enmity and division As the Body of Christ the church needs Christ as its life as the one new man the church needs Christ as its person The cross abolished the ordinances in order to give place to the Spirit The more we are in the mingling of the divine Spirit with our human spirit the more we will be set free from ordinances in order to bring forth the one new man The goal of the Lord s recovery is to bring forth the corporate one new man The creation of the new man was completed on the cross but the renewal of the new man is still going on today For the practical existence and reality of the one new man we need to put off the old man and put on the new man by being renewed in the spirit of our mind and by taking Christ as our person The

renewing of our mind and of our entire being is carried out by the renewing Spirit being mingled with our regenerated spirit as one mingled spirit to spread into our mind. When we live our life by taking Christ as our person especially in making decisions our living will be the living of the new man. Moreover for the bringing forth of the one new man we must grow and mature in life by growing up into Christ in all things. The reality and practicality of the new man require our persevering in particular prayer such as the prayers modeled by Paul in Ephesians 3:14-17 and the Lord Jesus in John 17 which is our response to Christ's activities in His heavenly ministry. Furthermore we must labor and struggle according to the operation of God to dispense Christ into others in order to present every man full grown in Christ until we all arrive at the oneness of the faith, a full grown man and the measure of the stature of the fullness of Christ. The dispensing of Christ is a service carried out by all believers as faithful stewards of the mysteries of God which is Christ and the church. A steward is a dispenser one who dispenses the divine life supply to God's children. The stewardship of grace is the dispensing of the riches of Christ into our being so that we may grow and become the church. All the local churches in the different countries are the one new man thus they need to practice the church life in the consciousness of the new man. If we take Christ as our life and as our person in the new man and with the new man spontaneously we all will speak the same thing and do the same one work for the unique Body, the universal one new man. In this way the new man will grow and mature and we will arrive at a full grown man. This will be the ultimate church life, a universal new man taking Christ as his person and living out Christ. This will conclude this age, usher in the kingdom and bring the Lord back. The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe.

Kingdom Stewardship: Occasional Papers Prepared by the Lausanne Resource Mobilization Working Group for Cape Town 2010, 2010. **The Trust** Steve Roll, 2001-06. God wants you to be successful at whatever you do. He outlined a simple straightforward plan in Scripture for you to follow to help you attain your goals. It's called stewardship. It's about more than money.

Stewardship Daniel Conway, 2005. Stewardship is not just about money but about something much more fundamental: how we respond to God's call to be disciples of Christ and how we live out that response in our daily lives. In a simple practical and concise style, Daniel Conway shows why stewardship is an essential aspect of Christian living.

Stewardship Steven F Kindle,2015-04-15 There is little disagreement that our world is as close to self destruction as it has ever been humanity included It is unnecessary to list the wars political conflicts diseases ecological disasters and the like we are all too familiar with a daily rehearsal of our plight What there is little or no agreement on is the way out How will we as the human race find our way out of our mutually shared predicament and into a world of wholeness and abundance that the Hebrews named shalom Is there any wisdom available to us that can lead the way The answer proposed here is to reconnect with the biblical notion of stewardship as a way of life *Official Report of the ...
