Still Single:

Why You're Still Single Evan Marc Katz, Linda Holmes, 2006-05-30 Why You're Still Single is not about chasing men so you will not need a butterfly net. It is not about making them chase you because they are not wolves and you are not a bunny. Relationship experts Evan Marc Katz and Linda Holmes do not suggest that you treat men like hostile alien presences. Pretend you don't understand football, buy padded bras, or refuse to call people back. But the benefit of other people's experience might point out a few things that are tripping you up, no matter how much of an amazing, smart, hot, totally worthwhile ass-kicker you may be. As a general rule, they recommend honesty, usually playing fair, shutting up sometimes, speaking up other times, respecting that voice in your head that says "You're doing WHAT, making compromises knowing when to cut bait, good sex, giving yourself a break, being needlessly generous, and periodically leaving your apartment." They don't recommend pretending to like what you don't like, treating winking and giggling like a "Get Out Of Jail Free" card, testing people, stubbornness, martyrdom, talking everything to death, and convincing yourself that you're desperate. **If I'm So Wonderful, Why Am I Still Single?** Susan Page, 2013-09-25 Behold a wonderful, romantic self-help book that is intelligent, upbeat, practical, useful, winning, and even wise. Kirkus Reviews: If you want to find your soul mate, you first have to know yourself. If I'm So Wonderful, Why Am I Still Single offers intelligent, practical guidance to singles looking to improve their romantic relationships by getting to know their own past patterns and relationship needs. Readers will find quizzes, case studies, and anecdotes from the author's decades of experience as a counselor to both couples and singles. Each aspect of the book is tailored to help readers figure out what they really want and learn not to settle for less. Translated into twenty-two languages, If I'm So Wonderful, Why Am I Still Single has become a modern classic that's helped countless people understand their own romantic motivations and find the partner they're looking for. Men and women who want permanent partners will benefit from her 10 strategies that will change your love life forever. An engaging guide. Publishers Weekly **Why Am I Still Single?** Shay Stone, 2012-09-01 Jacket Text: How many times have you listened to a friend or coworker drone on about her disastrous love life, completely baffled by the fact that she is still single while you politely bite your tongue to keep from revealing what you're really thinking? Really? Cause, boy, do I know why you're single, lady! It's obvious to you and everyone else in her life why she can't keep a man. After all, if you had a Y chromosome or batted for the other team, you wouldn't date her, either. She is too... Fill in the blank: Clingy, Depressing, Obsessive, Slutty, Self-absorbed, Insecure. But of course you could never tell her that. No one can. Not her mom, sister, or best friend. She would hate you if you did. Or maybe you are the annoying friend or coworker. Maybe you've been so busy venting about your last breakup that you missed those glazed-over expressions on your friend's face. Did they mumble things like "He wasn't good enough for you" and "There are plenty of fish in the sea"? Maybe that's code for "Pardon me, Sorry to interrupt, Could you please hand me that fork, I want to jab it in my eye." Whether you're the lonely one on date night or your drama-filled friend, this book will help you to arm yourself with
