Welcome to Felicity's World 1774 Catherine Gourley,1999-01-01 **Felicity's Power** J. Arlene Culiner,2015-03-27 San Francisco 1971 hippies in the streets music and revolution in the air The evening Marek Sumner opened his door to the wild looking Felicity Powers he knew nothing would ever be the same again But even love and passion couldn t keep them together Forty three years later having lived in the world s most dangerous places as a foreign aid worker Felicity is back still offering him love passion and adventure But why would Marek risk having his heart broken a second time Now a well known author he loves his calm solitary life in an isolated farmhouse He and Felicity are just too different their relationship could never work But Felicity is just as fascinating and joyful as ever and that wonderful sexy magic is still there too As for love perhaps it s even deeper and more delightful the second time around Felicity's Wish Autumn Sarnecki,2024-07-29 Felicity Ross always dreamed of the adventures awaiting her beyond the dull farm life she felt bound to One morning she and her brother Gilbert stumbled upon an entrance into a completely different world called Simyra Simyra reveals itself to be much more than meets the eye and the Ross kids life in the world is flung into a chaotic fateful adventure where danger evil secrets tunnels and mysteries are all around them Battling hopelessness and the strange new world around them the Ross kids band together with the help of newfound allies to solve the mystery of why they re in Simyra but most importantly survive Ritual, Myth, and Mysticism in the Work of Mary Butts Foy Roslyn,Roslyn Reso Foy,2000-01-01 Mary Butts wrote and lived among notable modernist writers such as T S Eliot Ford Madox Ford Jean Cocteau H D and Ezra Pound and was on her way to becoming one of the most respected British female writers of the twentieth century Yet after her death in 1937 at the age of forty six her reputation suffered a decline Butt s idiosyncratic spirituality did not lend itself to easy critical examination modernism was generally considered a masculine endeavor and her papers were not made public for over fifty years The recent acquisition of those papers by the Beinecke Library at Yale University however has brought about a resurgence of interest in her unique writings Mary Butts confronts and reinterprets reality in extraordinary ways and her modernist vision recalls the natural origins and powers of the female divine Her intense dedication to ancient rites and myth and her dabbling in the occult became embedded in her fiction and led to her own brand of mysticism Indeed the Butts heroine is at once healer sacred priestess earth goddess lover and daimon demon In presenting her characters this way Butts

valorizes what she calls the soul living at its fullest capacity Roslyn Reso Foy gives us the first sustained critical study of Butts exploring the significance of feminism mysticism and magic in her life and writings Foy's thoughtful analysis combining scholarship with straightforward discussion will serve as an introduction to and foundation for further critical studies of this remarkable female modernist whose work coincides with contemporary concerns and who can no longer be ignored *The wandering knight: his adventurous journey: or, A mediæval Pilgrim's progress* [tr. by A.J.
