concomitantly large governments are likely to be compelled to make accommodations with protestors regardless of their likelihood of retaining office Brancati s argument rests on a rich statistical analysis of the causes and consequences of democracy protests around the globe between 1989 and 2011 combined with qualitative case studies The Central Law Journal ,1883 Vols 64 96 include Central law journal s international law list *The Cyclist Christmas no. for 1890 and year book for 1891* Cyclist,1890 **History of the Christian Church from Its Origin to the Present Time** William Maxwell Blackburn,1879
