## Yo Peron:

**Juan Perón** Jill Hedges, 2021-05-06 Within Argentina Juan Domingo Perón continues to be the subject of exaggerated and diametrically opposed views A dictator a great leader the hero of the working classes and Argentina's first worker a weak and spineless man dependent on his stronger-willed wife a Latin American visionary a traitor responsible for dragging Argentina into a modern socially just 20th century society or conversely destroying for all time a prosperous nation and fomenting class war and unreasonable aspirations among his client base Outside Argentina Perón remains overshadowed by his second wife Evita The life of this fascinating and unusual man whose charisma political influence and controversial nature continue to generate interest remains somewhat of a mystery to the rest of the world Perón remains a key figure in Argentine politics still able to occupy so much of the political spectrum as to constrain the development of viable alternatives Jill

Hedges explores the life and personality of Perón and asks why he remains a political icon despite the negatives associated with his extreme personalism **Juan Perón's Anti-Imperialist Geopolitics** Robert D. Koch, 2024-10-03 Using a blend of global intellectual and cultural history this book explores the geopolitics of Juan Perón and their relationship to and impact on the international history of the mid 20th century Beginning with Perón's formative years it analyzes the concepts that helped shape his anti-imperialist views and traces these ideas over decades from his time in the Argentine Army through his rise to power downfall and eventual death in 1974 Dissecting how notions of imperialism nationalism and decolonization fueled his ideology and approach to foreign policy Juan Perón's Anti-Imperialist Geopolitics takes a long-term approach to understand his geopolitical evolution over time While Peronism has continued to be an influential movement in Argentine politics and remains a lively research topic Perón's geopolitics have received scant attention despite their significance to his popularity and legacy This book offers a corrective to this situating Peronism Argentina and Latin America on the international stage during the 20th century From his pioneering role in the era's anti-imperialist solidarity movement his expansion of the Peronist development model to a global model and his efforts to establish a post-imperial world through the Non-Aligned Movement Juan Perón's Anti-Imperialist Geopolitics argues that Perón merits recognition as a leading 20th-century geopolitical thinker

**The Crisis of Argentine Capitalism** Paul H. Lewis, 1992 By focusing on the organization development and political activities of pressure groups rather than on parties or governmental institutions Lewis political science Tulane U gets to the root causes of Argentina's instability and decline His study is of the industrialist bourgeoisie and their relation to labor government the military and foreign capital Annotation copyrighted by Book News Inc Portland OR
