Yet So Close:

So close... yet so far N. Franzetti, 2013-02-27 When one is fated for death from the moment of birth it can make life difficult Karmakat is a black lion a death sentence in itself because it means there is a demon sharing his soul A monk passing through rescues the infant and magically seals the demon Spending their lives training together the young lion follows in his master's footsteps until the master's death at the hands of a vicious demon Striking out on his own following what he believes to be his destiny he fights the demons alone Protecting others as his master protected him One day he rescues a model a playboy wolf named Lukwos who befriends the lone fighter Teaming up the pair travel a dangerous road as the demons they fight become more vicious and abundant every day Lukwos encourages Karmakat to find a life beyond demon fighting beyond the solitary existence he has known since the master's death Can he bring himself to put another life in danger fighting the darkness and what lurks behind it

So close, yet so far II N. "Karmakat" Franzetti, 2014-05-24 Just when things couldn't get any better Karmakat has settled into a life with his mate and adopted family wanting for nothing more than a normal life As normal as it can be for someone in his situation anyways Then something changes Can the hope of a new future mend a soul torn apart by its past The story of our group continues as they face new trials encounter new situations and uncover revelations about old enemies and their own legacies
