Understanding Power

Jessica J Manson

Understanding Power:

Understanding Power Noam Chomsky, Penguin Books India PVT, Limited, 2003-06 In a series of enlightening and wide ranging discussions published here for the first time the author radically reinterprets the events of the past three decades covering topics from foreign policy during the Viet nam war to the decline of the welfare under the Clinton administration Characterized by Chomsky s accessible and informative style this is the ideal book for those new to his work as well as those who have been listening for years

Understanding Power in Ancient Egypt and the Near East, Volume 1 ,2024-11-11 This volume offers new theoretical approaches to the study of concepts and manifestations of power in the ancient world Bringing together scholars from Egyptology and ancient Near Eastern studies this volume aims to synchronize our understanding of the complex mechanics of Power across our fields Broad in theoretical geographical and temporal scope it presents theoretical models in an approachable manner showcasing ways in which they can be employed by all scholars of the ancient world

Teaching About Hegemony Paul Orłowski, 2011-06-21 Political progressives in Canada and the United States are deeply concerned by the manner in which their countries treat their poor They are dismayed at the dismantling of the social welfare state the weakening of public education systems and the grotesque and ever growing inequality of wealth To remedy this problem citizens need to be more aware of how political ideology influences attitudes and actions and they need to better comprehend the effects of hegemonic discourses in the corporate media and school curriculum This book informs educators how to develop context specific pedagogy that will help achieve a more enlightened citizenry and as a result a stronger democracy Teaching about Hegemony Race Class and Democracy in the 21st Century promotes a progressive agenda for teaching that is rooted in critical pedagogy it explains why ideological critique is necessary in raising political consciousness it deconstructs white middle class hegemony in the formal school curriculum and it examines corporate media and school curriculum as hegemonic devices It also covers recent theory and research about race class and democracy and how best to teach about these topics Combining theory and sociological research with pedagogical approaches and classroom narratives this book is fundamental for progressive educators interested in developing a politically conscious progressive and active citizenry hungry for a stronger civil society
