

Understanding Christian Spirituality

**Reformed Church in America. General
Synod**

Understanding Christian Spirituality:

Understanding Christian Spirituality Michael Downey,1997 A readable overview of the contemporary spiritual scene that defines outlines and advocates several models or methods for studying Christian spirituality Aimed at college undergraduates and useful for those in spiritual counseling and direction **Christian Spirituality** Alister E. McGrath,1999-09-17 This text fills the need for a clear informative helpful and well written introduction to Christian spirituality Includes a detailed guide to resources in spirituality available on the Internet Written by a leading theological educationalist in a clear and accessible manner Encourages active engagement with primary sources through worked case studies *Understanding Christian Spirituality* Michael Downey,1997 **The Blackwell Companion to Christian Spirituality** Arthur Holder,2011-04-27 The Blackwell Companion to Christian Spirituality is a comprehensive single volume introduction to Christian spirituality and represents the most significant recent developments in the field Offers a thoroughly interdisciplinary broadly ecumenical and representative overview of the most significant recent developments in the field Comprises essays combining rigorous academic scholarship with accessible and elegant writing Reflects an understanding of the field as the study of the lived experience of Christian faith and discipleship Provides material on biblical historical and theological foundations along with treatment of contemporary issues **Christian Spirituality** Lawrence Cunningham,Keith J. Egan,1996 Christian Spirituality is a concise and accessible overview of the ways Christians over the centuries have approached God in prayer and practice In ten chapters Lawrence Cunningham and Keith Egan explain the dynamics of spiritual life each chapter exploring a single theme such as scripture journeying meditation contemplation asceticism mysticism solitude community friendship eucharist The themes are not mutually exclusive since believers frequently embrace several or all of these ways at once But in different times and places people have tended to focus on one or another so that they have become discernible paths to the Holy The authors explore each theme in depth tracing its evolution over the centuries Within this historical framework the book provides the reader with a taste of the different ways Christians have sought or lived in the presence of God Each chapter concludes with a list of selected works for further reading and with exercises intended to provide a personal experience of the way **A History of Christian Spirituality: The spirituality of the New Testament and the Fathers** ,1963 **A Guide to Christian Spiritual Formation** Evan B. Howard,2018-01-16 Evan Howard a noted authority on Christian spirituality provides a holistic accessible and informed introduction to Christian spiritual formation written from a broadly evangelical perspective Howard joins Scripture with themes of community spirit formation and mission in a single integrative guide The book includes helpful features such as figures charts chapter overviews and formation focused questions Its evangelical ecumenical and global perspectives will appeal to a wide audience Resources for professors and students are available through Baker Academic s Textbook eSources Dictionary of Christian Spirituality Zondervan,2016-11-22 In recent decades Christian spirituality spiritual formation and

spiritual theology have become important concepts in the global evangelical community. Consequently, an accessible and reliable academic resource is needed on these topics, one that will offer a discerning orientation to the wealth of ecumenical resources available while still highlighting the distinct heritage and affirming the core grace-centered values of classic evangelical spirituality. The Dictionary of Christian Spirituality reflects an overarching interpretive framework for evangelical spiritual formation, a holistic and grace-filled spirituality that encompasses relational, connecting, transformational, becoming, and vocational dynamics. At the same time, contributors respectfully acknowledge the differences between Reformed Holiness and Pentecostal paradigms of the spiritual life. And by bringing together writers from around the world who share a common orthodoxy, this reference work is truly global and international in both its topical scope and contributors. Entries give appropriate attention to concepts, concerns, and formative figures in the evangelical tradition of spirituality that other reference works neglect. They offer a discerning orientation to the wealth of ecumenical resources available, exploring the similarities and differences between Christianity and alternate spiritualities without lapsing into relativism. The Dictionary of Christian Spirituality is a resource that covers a wide range of topics relating to Christian spirituality and is biblically engaged, accessible, and relevant for all contemporary Christians.

Four Views on Christian Spirituality Bruce A. Demarest, 2012-05-08. How do Christians cultivate a vibrant and Christ-centered spirituality that is rooted in biblical clarity? Spiritual formation, the cultivation of a relationship with God, lies at the heart of what it means to be a Christian in the body of Christ. But with the rise of diverse spiritual practices, from Zen meditation to out-of-body experiences, the idea of spirituality has become watered down by postmodern culture. Christian spirituality, on the other hand, embraces devotion to the triune God, abiding in Christ, the pursuit of holiness, and the cultivation of virtues. But what exactly falls within the scope of Christian spirituality? This volume of the Counterpoints series focuses on the Church's search for spiritual identity, meaning, and significance as interpreted by four of the major Christian traditions: Eastern Orthodoxy represented by Bradley Nassif, Roman Catholic represented by Scott Hahn, Progressive Protestant represented by Joseph Driskill, and Evangelical represented by Evan Howard. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion.

History of Christian Spirituality, 1969
The True Christian Religion Emanuel Swedenborg, 1873
The Apology of the Christian Religion James Macgregor, 1891
Christian Spirituality: Later developments: pt. 2. From Jansenism to Modern Times Pierre Pourrat, 1955
Spirituality and Society in the New Millennium Ursula King, Tina Beattie, 2001. In this text, scholars of theology and religion explore the dynamics of different spiritual beliefs and practices and their effects on society. The introductory essay examines the many understandings of spirituality and looks at spirituality as a personal quest and a new academic field.
