The Moving Target A Bantam:

The Moving Target Ross Macdonald, 1970 The Sampson family made their money in the Texas oil fields and spent it on the California coast There was plenty of it left when Ralph Sampson disappeared Mrs Sampson a paralytic blonde who had bad dreams called Archer in to find him and his checkbook The trail that Archer followed took him down through the seven circles of California society Sampson had mixed with thieves and murderers a cult of phony sun worshippers a silent movie star in the last stages of degradation a boogie pianist who had served her time In company like that you look for trouble and Archer found plenty of trouble *The Moving Target* Ross Macdonald, 1974 **Eudora Welty and Mystery** Jacob Agner, Harriet Pollack, 2022-12-28 Contributions by Jacob Agner Sarah Gilbreath Ford Katie Berry Frye Michael Kreyling Andrew B Leiter Rebecca Mark Suzanne Marrs Tom Nolan Michael Pickard Harriet Pollack and Victoria Richard Eudora Welty's ingenious play with readers' expectations made her a cunning writer a paramount modernist a short story artist of the first rank and a remarkable literary innovator In her signature puzzle texts she habitually engages with familiar genres and then delights readers with her transformations and nonfulfillment of conventions *Eudora Welty and Mystery* Hidden in Plain Sight reveals how often that play is with mystery crime and detective fiction genres popular fiction forms often condescended to in literary studies but unabashedly beloved by Welty throughout her lifetime Put another way Welty often creates her stories secrets by both evoking and displacing crime fiction conventions Instead of restoring order with a culminating reveal her story puzzles characteristically allow mystery to linger and thicken The mystery pursued becomes mystery elsewhere The essays in this collection shift attention from narratives characters and plots as they have previously been understood by unearthing enigmas hidden within those constructions Some of these new readings continue Welty's investigation of hegemonic whiteness and southern narratives of race outlining these in chalk as outright crime stories Other essays show how Welty anticipated the regendering of the form now so characteristic of contemporary women mystery writers Her tender and widely ranging personal correspondence with the hard-boiled American crime writer Ross Macdonald is also discussed Together these essays make the case that across her career Eudora Welty was arguably one of the genre's greatest double agents and to apply the titles of Macdonald's novels to her inventiveness with the form she is its underground woman its unexpected sleeping beauty *The Truman Gumshoes* J.K. Van Dover, 2022-02-14 The hard-boiled style of detective fiction emerged in America in the years after the First World War In the late 1940s following the Depression the New Deal and the Second World War a new generation of young writers revisited the conventions governing the fictional private eye and began to move him the tough detective was still always male and his world in new directions This book examines the work of the four most important writers of this second generation of hard-boiled fiction It offers the first substantial literary analysis of the Max Thursday novels of Wade Miller and the Carney Wilde novels of Bart Spicer and it develops new perspectives on the well-known Mike Hammer novels of Mickey Spillane and the Lew Archer novels of Ross Macdonald A particular focus is upon
