Television Talk Shows Andrew Tolson,2001-06 This study provides a deconstruction of the actual talk of television talk shows and seeks to demonstrate how this talk is a dramatic performance discursive dynamics fed by the host of the show with certain formulaic progress designed to get the audience hyped up

The Directory of Business Information Resources, 1999 Laura Mars,1998-12 Handbook for Conducting Research on Human Sexuality Michael W.

Wiederman,Bernard E. Whitley, Jr.,2012-12-06 Human sexuality researchers often find themselves faced with questions that entail conceptual methodological or ethical issues for which their professional training or prior experience may not have prepared them The goal of this handbook is to provide that guidance to students and professionals interested in the empirical study of human sexuality from behavioral and social scientific perspectives It provides practical and concrete advice about conducting human sexuality research and addresses issues inherent to both general social scientific and specific human sexuality research This comprehensive resource offers a unique multidisciplinary examination of the specific methodological issues inherent in conducting human sexuality research The methodological techniques and advances that are familiar to researchers trained in one discipline are often unfamiliar to researchers from other disciplines This book is intended to help enrich the communication between the various disciplines involved in human sexuality research Each of the 21 self standing chapters provides an expert overview of a particular area of research methodology from a variety of academic disciplines It addresses those issues unique to human sexuality research such as how to measure sexuality variables how to design studies recruit participants and collect data how to consider cultural and ethical issues and how to perform and interpret statistical analyses This book is intended as a reference tool for researchers and students interested in human sexuality from a variety of disciplines including psychology sociology family science health communication nursing medicine and anthropology

Media Effects Jennings Bryant,Mary Beth Oliver,2009-01-13 With contributions from some of the finest scholars in the discipline Media Effects serves not only as a comprehensive reference volume for media effects study but also as an exceptional textbook for advanced courses in media effects Covering the breadth of the media effects arena this third edition provides updated material as well as new chapters focusing on effects of mobile media and other technologies As this area of study continues to evolve Media Effects will serve as a benchmark of theory and research for current and future generations of scholars
