Terror Outside the Door Donald Craig Miller, 2021-03-11 For first century private detective Jake Jezreel it was the best of times He had just wrapped up a scintillating investigation he called The Case of Trailing the Bloody Footprints Jake had met Jesus Christ in the midst of that investigation He had surrendered his life to Christ And Jake s life never would be the same again But suddenly in the afterglow of those joyous days after Jesus s resurrection the world collapsed in on top of Jake It abruptly became the worst of times Religious persecution descended upon the Christian church in Jerusalem led by the chief priests and zealous leaders wreaking havoc upon all Christ s believers In the midst of this persecution a new and savage animal sprang up whose name was Saul of Tarsus Saul attacked the Christian church with a vengeance aiming to wipe the Christian cult from the face of the earth Jake found himself and his faithful secretary Hannah caught in the onslaught and on the run The persecution was crashing in all around them Christians were being imprisoned Some were being brutalized Some were being killed For the moment Jake and Hannah stayed one jump ahead of the devouring enemy But how long could they avoid the clutches of the vicious mob chasing after them Wherever they hid the terror prowled right outside the door Could Jake and Hannah somehow dodge the relentless menace If they were caught what brutal tactics would the authorities savage upon them Jake knew that in a crossfire there is nowhere to hide He also knew that time was running out and the walls were slowly closing in upon them

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
