

Your heart is aching but you pose and smile in Instagram photos, pretending to have the time of your life. Deep down you're hurting, trying things and nothings working but you've grown accustomed to acting like everything is perfect. You're worth it, maybe you just forgot. Maybe you're in like or in love with someone who treats you like you're not.

I just wish you could see yourself in the light but you're used to this, being left in the dark. Standing in the middle of chaos, trying your hardest to keep it together. Clinging to that relationship that should end, still hoping for a forever. You deserve so much more and deep down you know this. Open your eyes, stand up, please focus. Understand each and every word. You are the reason I wrote this.

## Still My Aching Heart:

The best song book in the world, ed. by E.W. Cole Edward William Cole,1893      The Struggle Between the Robe and the Woman Leticia Rouser,2016-01-21 This is about a woman who denied her desire to be loved by a man She intentionally puts all the thoughts of being in a loving relationship behind the ministry Her sole concentration is the robe being pastor to the congregation She preaches and teaches the word 24 7 on the job all day to give service to her church and membership She made a vow of celibacy to God at age fourteen she asked God to help her to hold out until her name was changed Because of this vow she did not date or prepare for life with a man Her sole purpose was serving the kingdom But in the middle of the night while the pastor was asleep the woman woke up and wrote poetry When the preacher was asleep the woman would express her need to be held and her desire to be loved Therefore the struggle begins between the robe and the woman

**Leyla and Mejnun** Fuzuli,2024-05-01 First published in 1970 Leyla and Mejnun provides a thorough introduction to the Leyla and Mejnun love story and the various forms in which the story has appeared in the Islamic world Finally it offers for the delight of the English poetry lover an extremely readable translation of the Turkish version of the story This book will be of interest to students of literature and history      *The Autobiography of Mary Smith, Schoolmistress and Nonconformist, a*

Burns,1872      **Lyrics** Sting,2009-07-16 From the first Police album Outlandos D Amour through Sacred Love here are the collected lyrics written by Sting along with his commentary Publishing my lyrics separately from their musical accompaniment is something that I ve studiously avoided until now The two lyrics and music have always been mutually dependent in much the same way as a mannequin and a set of clothes are dependent on each other separate them and what remains is a naked dummy and a pile of cloth Nevertheless the exercise has been an interesting one seeing perhaps for the first time how successfully the lyrics survive on their own and inviting the question as to whether song lyrics are in fact

poetry or something else entirely And while I ve never seriously described myself as a poet the book in your hands devoid as it is of any musical notation looks suspiciously like a book of poems So it seems I am entering with some trepidation the unadorned realm of the poet I have set out my compositions in the sequence they were written and provided a little background when I thought it might be illuminating My wares have neither been sorted nor dressed in clothes that do not belong to them indeed they have been shorn of the very garments that gave them their shape in the first place No doubt some of them will perish in the cold cruelty of this new environment and yet others may prove more resilient and become perhaps more beautiful in their naked state I can t predict the outcome but I have taken this risk knowingly and while no one in their right mind should ever attempt to set *The Waste Land* to music in the hopeful words of T S Eliot These fragments I have shored against my ruins Sting from the Introduction *A Complete Word and Phrase Concordance to the Poems and Songs of Robert Burns* J. B. Reid, 1889
