Stefan Themerson Stefan Themerson, **Muses, Mistresses and Mates** Anna Suwalska Kolečka, Izabella Penier, 2015-06-18 The Muse is one of the oldest archetypes in human civilization and in the past was a representation of an idealized woman blessed with beauty and creativity and exerting irresistible attraction for many a man Nowadays in the wake of feminism the idea of the Muse seems a bit obsolete quaint or downright sexist and is said to enhance a vicious stereotype of the creative productive and active man and the passive submissive and docile woman However this book shows that this in fact

The Alienation

Effect Owen Hatherley, 2025-03-27 Dazzling The remarkable story of how British culture was transformed by migr architects filmmakers and writers Guardian Britain Made in Europe In the 1930s tens of thousands of central Europeans sought

sanctuary from fascism in Britain While the rainy seemingly quaint island they discovered on arrival was a far cry from the dynamism of Weimar Berlin or Red Vienna it was safe and it became home Yet the migr's had not arrived alone they brought

with them new and radical ideas and as they began to rebuild their lives and livelihoods they transformed the face of Britain forever Drawing on an immense cast of artists and intellectuals including celebrated figures like Erno Goldfinger forgotten

luminaries like Ruth Glass and a host of larger than life visionaries and charlatans the historian Owen Hatherley argues that in the resulting clash between European modernism and British moderation our imaginations were fundamentally realigned

and remade for the better In casting what Bertolt Brecht called in a new German word a *Verfremdungseffekt* an alienation effect on Britain the aliens made us all a little bit alien too Provocative entertaining and meticulously researched *The*

Alienation Effect opens our eyes to the influence of the migr's all around us many of our most quintessentially British icons are the product of this culture clash and entreats us to remember and renew our proud national tradition of asylum
