Stephen Hero:

Stephen Hero James Joyce, Theodore Spencer, 1977 **Stephen Hero** James Joyce, 2015-03-03 Stephen Hero is an early version of Joyce's *A Portrait of the Artist as a Young Man*. It was originally rejected on grounds of indecency so the story goes by twenty publishers whereupon Joyce threw the manuscript in the fire but Mrs Joyce rescued several unburnt portions. Although Joyce later entirely rewrote his novel of a young Irishman's rebellion against church, country and family, this early version is beautifully composed, the mood being more discursive and personal than in *A Portrait*. Many episodes later cut for the sake of good novelistic form, especially autobiographical episodes of sensual and family life, are fully presented with some of the most vivacious dialogue Joyce ever wrote. Between them, the two versions give us a clear example of Joyce's literary development as well as many details of his life. This edition of *Stephen Hero* for the first time printed the five missing pages of the novel found among the papers in the Joyce Collection of the Cornell University Library. These pages fill gaps in the text as edited in 1956 by John J Slocum and Herbert Cahoon and also extend the narrative. The main text of *Stephen Hero* is a connected, nearly self-contained passage of 383 manuscript pages which turned up soon after Joyce's death. It was first edited by Theodore Spencer and published by *New Directions* in 1944. In this edition, introductions by the successive editors discuss the literary and bibliographical aspects of this important early work by one of the great modern masters.

STEPHEN HERO James Joyce, 2017-12-06 *Stephen Hero* is a posthumously published autobiographical novel by Irish author James Joyce. Its published form reflects only a portion of an original manuscript, part of which was lost. Many of its ideas were used in composing *A Portrait of the Artist as a Young Man*. James Joyce (2 February 1882 – 13 January 1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses* (1922), a landmark work in which the episodes of Homer's *Odyssey* are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he perfected. Other major works are the short story collection *Dubliners* (1914) and the novels *A Portrait of the Artist as a Young Man* (1916) and *Finnegans Wake* (1939). His complete oeuvre also includes three books of poetry, a play, occasional journalism, and his published letters.
