Over the Top of the World Will Steger, Jon Bowermaster, 1999. An account of explorer Will Steger's expedition from Russia to Canada by way of the North Pole, traveling by dog sled and canoe.

Will Steger Will Steger, John Ratzloff, 2013. I harbored a vision for most of my adult life to build a center in the wilderness in order to draw small groups of key decision makers. On my expeditions I had experienced the power of the wilderness setting on group dynamics that literally enabled us to travel across the far reaches of the planet. I felt that I could make the biggest impact with my life if I could harness this same spirit and direct it toward the betterment of society and the preservation of our environment. It was during the Trans-Antarctic Expedition that I conceived the designs for the Steger Center. Will Steger from the prologue.

Christian County had published a county history in 1841 by Perin and again another by Charles Meachem in 1930. Both of these histories had a limited biography section in them. Under the leadership of president Lon Bostick, the Genealogical Society of Christian County and the many devoted people of the county at large gave untiringly of their time and knowledge to compile and have published a third history of Christian County in 1986, which is primarily a family history with much social history. The people responded well with material, and the book was getting so large that we had to stop receiving family histories. This left many without the opportunity to get their families recorded. Late in 1990, Lon had a job started and was not complete, therefore the Odd Fellows of Green River Lodge 54 of Hopkinsville and Jewel Rebekah Lodge 14, the auxiliary of the Odd Fellows, met and voted to compile and have published a continuation of Volume I of the Family Histories, to be titled Edition I of Family Histories of Christian County.
